VOLUME 12. MARYVILLE, MISSOURI, SATURDAY, MAY 13, 1922 NO. 291

LITTLE LANTERNS PLEASED AUDIENCE

PRODUCED BY DEPARTMENT OF STATE TEACHERS COLLEGE

MISS FRASER MADE HIT

Songs and Dances Well Received and Applause Was Generous—Beautiful Stage Setting

"The Feast of the Lanterns," the second number of Nodaway County's First Annual Music Week Festival was played at the State Teachers College auditorium last night before a well pleased audience. The production of this operetta was due to the co-operative effort of the departments of home Economies, Fine Arts, Physical, Dramatic, Industrial Arts and Music of the State Teachers College.

The operetta opened with a Japanese chorus singing "Pretty Little Lanterns Al-ee." The chorus was robed in green and yellow and purple and yellow costumes and played on a stage of Japanese setting. At the front of the stage and at either side was a quaint Japanese booth, occupied in this scene by Ow Long, governess to the princess, played by Miss Justine Fraser and Wee Ling, maid to the princess, played by Miss Ruth Cline. Approximately sixty Japanese lanterns were included in the setting for the operetta.

Miss Marie Cloud carried the leading part in the operetta. She took the part of Princess Chan, a Chinese heiress, and held her audience with true princess dignity and later refused an encore after her solo, "O Beautiful."

"There Ought to be a Law in China" captivated the audience for Miss Justine Fraser, taking the part of Ow Long. She brought the first encore from the listeners and came back later with two clever exits which reflected much individuality.

Miss Helen Baker, playing the part of Mai Ku, a Japanese maid, sang the Juggler Song" and "See, My Hands are Empty," pleasing the audience especially with the latter.

Miss Ruth Cline, playing the part of Wee Ling, maid to the princess, was pleasing in her first appearance, "Ghost Song" but was at her best later in "The Beautiful Peacock" where she proved to Ow Long that she "must either get nothing or all."

Marjorie Reavis, taking the part of Lo Lee, a Japanese child, was self composed in her appearance with Mai Ku and chorus in the "Juggler Song."

Very attractive parts of the Operetta were the two dances given under the direction of Miss Mary MacLeod of the Physical department by Wing Toy, and Chin Chin, Japanese dancers. The dancers were supported with choruses in fancy costume.

The stage setting and costumes were special features of the operetta. The costume and designing and the stage settings were directed by Olive DeLuce of the Fine Arts department assisted by E. W. Glenn. Miss Hettie Anthony of the Home Economics department supervised the making of all the costumes.

The dancing was done by the students of the physical education department, under the direction of Miss Mary MacLeod. Miss Blanche Dow had charge of the dialogue and expression. C. R. Gardner directed the operetta and the accompanying was played by Miss Geneva Wilfley of the music department and Miss Alice Welling.

JOE ANDREWS OF GRAHAM, 80 YEARS OLD, DIED YESTERDAY.

Joe Andrews, 80 years old, who had lived in the vicinity of Graham for the past forty or fifty years, died at his home three miles south of that place at 3 o'clock yesterday afternoon. He leaves no near relatives. Funeral services were conducted at the Methodist Church at Graham at 2 o'clock this afternoon by the Rev. W. C. Francisco.

Mrs. Warren Jackson to Visit Here

Mrs. Warren Jackson and children, Norman and Raymond, of Des Moines, Iowa, will arrive in Maryville tomorrow evening to spend the week visiting at the home of Mr. and Mrs. Arthur A. Brewer on South Main Street.

Advising About School Building

Dr. C. P. Fryer, county health officer, conferred with the school board of Elmo yesterday as to the location of the new ward school building which Elmo has planned to erect.

Miss Beatrix Winn went to St. Joseph today to spend Sunday at home with her parents.

DELEGATES TO LEAVE SUNDAY FOR CONVENTION

M. E. Ford and Fred Hull to Constitutional Convention in Jefferson City.

M. E. Ford and Editor Fred Hull will leave tomorrow for Jefferson City where they will attend the state constitutional convention, being delegates to that convention from this senatorial district.

According to newspaper dispatches, a suggestion has been made that the convention adjourn until early fall. The committees to make preliminary investigations would work through the summer. The distractions of the primary campaign would be avoided, it also has been pointed out.

Governor Hyde has appointed Dr. W. H. Black of Marshall as delegate-at-large to the convention to succeed Judge N. A. Moseley of Poplar Bluff, who died a few days ago.

MARYVILLE PEOPLE MUST OPEN HOMES

LARGEST ENROLLMENT IN HISTORY AT S. T. C. THIS SUMMER

MAY BE ONE THOUSAND

College Authorities Will Make No Estimates—Students Coming From Out of District

Mrs. Alice R. Perrin says that it will be necessary for many of the people of Maryville, who have never before taken boarders to open their homes to them two weeks from now when students come in for the summer term at the State Teachers College. It has been rumored that there will be 1,000 students here for the summer. Authorities at the College refuse to make any estimate as to the number who will attend. The number in other years has never come any where near this point. There seems to be a hesitancy about making an estimate, lest it should be put too high. For the College to step up to the 1,000 mark in its enrollment so suddenly seems most too good to be true, but it may come. One fact is certain and that is that there will be the largest enrollment in history.

Mrs. Perrin says that regardless of the fact that there will be many more students than ever before there will be plenty of places for them. She thinks that the people of Maryville will arise to the occasion, no matter how great the demand.

Mrs. Perrin says that while the tendency is that all the students try to get rooms on the west side, in order that they may be near the College, she feels that there is no special drawback to being in the south or the north. For the boys the walk of a mile to the College is only a slight matter, especially when they can take their lunches at the College cafeteria and as to a girl, if she does not feel that she wants to walk all the time it is possible to go anywhere in the city at any time for 15 cents, the price of one fare in a Maryville jitney.

The indications are that the students for the summer will come from various sections of the state outside of the nineteen counties in the Fifth District. Mrs. Perrin has received letters from as far away as the section around Springfield. In some cases these people from far away have already engaged their rooms.

Those who wish to list their rooms can do so by calling Mrs. Perrin.

2,133 AUTOS OWNED BY FARMERS OF COUNTY

Also 90 Trucks and 114 Tractors According to Data Compiled by State Board.

Nodaway county farmers have 2,133 automobiles, 90 trucks and 114 tractors according to data compiled from the 1921 assessor's Farm Census listings by E. A. Logan and Jewell Mayes of the Federal-State Co-operative Crop Reporting service. Nodaway leads all of the other counties in the state in the number of cars owned by farmers.

Mrs. Kittie Young Visits Here

Mrs. Kittie Young of Kansas City arrived here yesterday and will be the guest of Mr. and Mrs. Levi Wallace until Monday evening.

Prof. Bert Cooper will be at Quitman next Friday night to deliver the graduating address for the schools there. On Thursday night he will deliver the graduation address for the schools at Caldwell, Kansas.

MARYVILLE PLACES SECOND IN MEET

GEORGE SMITH CARRIES AWAY TWO CUPS.

RELAY RECORD IS BROKEN

Eleven Schools Entered—Local Boy Ties State Record in 440-Yard Dash.

The Maryville High School track team took second place in the second annual American Legion track meet held at Albany yesterday with 29 points. First place was taken by the Albany High School, with 35 points. George Smith of Maryville was the high point man at the meet, making 16 points. He carried away two cups, one cup for the highest scoring individual and the other the four event cup offered by a theater at Albany. Maryville also won the relay cup in the half-mile race for class A schools. In addition to the cups brought home Maryville carried off eight medals for first, second and third places.

Smith made by far the best showing of any athlete on the field. He won the high hurdles with a lead of ten yards on his opponent, making the 110 yards in 15 1-5 seconds. The course which should be 120 yards long had been laid off in such a way that it was five yards short at each end. The proper number of hurdles were used and they were placed at the proper distances, but in place of having a dictance of fifteen yards at between the hurdles and the end of the course the distance was only ten yards. In the 440-yard dash Smith was a winner, in the low hurdles he was kept out of first place by the fact that his nearest opponents hand shot out a few inches in front of Smith, breaking the string, although his body was really behind that of Smith, and in the 100-yard dash he was kept from first place by a distance of only about six inches. In the relay race Smith came back strong again. He was fourth man and was touched off by O'Banion. O'Banion was even with his man but the Maryville boys lost three strides in the touch off. Perdew of Albany was in the lead. It was a great race but Smith forged a few inches ahead in the final spurt.

O'Banion has also been praised by local rooters. O'Banion was running third man in the relay. His opponent was leading him by fifteen yards in the touchoff but "Bun" was even with his man at the end of the 220 rush.

Following are the events, the winners and the time and distances:

100-yard dash—First, Danner, McFall; second, Smith, Maryville; third, Perdew, Albany; fourth, Franklin, Albany. Time 10 4-5 seconds.

Pole vault—First, Gibson, New Hampton; second, Leson, Mt. Ayr; third, Defenbaugh, Mt. Ayr, tied with Eaton, Maryville, and the points for third and fourth places were divided. Height raised from 10 ft., 2 in. to 10 ft., 8 in.

110-yard high hurdles—First, Smith, Maryville; second, York, New Hampton; third, Gibson, New Hampton; fourth, Sheldon, Albany. Time 15 1-5 seconds.

Hop, step and jump—First, Harris, Maysville; second, Agee, Stanberry; third, Neuman, Gentry; fourth, Bryson, King City, and Gibson, New Hampton, tied. Distance 41 ft., 5 in.

220-yard dash—First, Franklin, Albany; second, Perdew, Albany; third, Barry, Maryville; fourth, Robey, Maryville. Time lowered from 24 1-5 to 23 seconds flat.

High jump—First, Parman, Albany, and Gibson, New Hampton tied; third Torrence, Mt. Ayr; fourth, Stark, Bethany and Berry, King City tied. Height raised from 5 ft. 4 inches to 5 ft. 6 inches.

Standing broad jump—First, Brissey, Maysville; second, Defenbaugh, Mt. Ayr; third, Miller and Eaton, Maryville tied. Distance 9 ft. 6½ in.

440-yard dash—First, Smith, Maryville; second, Perdew, Albany; third, Franklin, Albany; fourth, Barry, Maryville. Time lowered from 56 1-5 to 52 seconds flat.

220-yard low hurdles—First, Redd, Albany; second, Smith, Maryville; third, York, New Hampton; fourth, Sheldon, Albany. Time lowered from 28 4-5 to 28 seconds flat.

Shot put—First, Shiatt, Bethany; second, Hesseltine, New Hampton; third, Masters, Maryville; fourth, Agee, Stanberry. Distance raised from 38 ft. ¾ in. to 39 ft., 5 in.

880-yard run—First, Seat, Grandview; second, Evans, Stanberry; third McCandless, Mt. Ayr; fourth, Blagg, Maryville. Time lowered from 2 minutes 14 1-5 seconds to 2 minutes 6 seconds.

Running broad jump—First, Perdew, Albany; second, Wright, McFall; third, Hikerson, Mt. Ayr; fourth, Street, Maryville. Distance, 19 ft. 9½ inches.

Discus — First, Hesseltine, New Hampton; second, Murray, Albany; third, Smith, Mt. Ayr; fourth, Masters, Maryville. Distance raised from 99 ft. 6½ inches to 100 ft. 4 inches.

In the relay Maryville broke her own record by one second, making it in 1 minute 37 seconds. The members of the team were Barry, P. Robey O'Banion and Smith. Albany got second place in the relay.

McFall won the relay in Class B.

Eleven schools were entered in the meet. Grandview won the Booster's Cup. Smith tied the state record in the 440-yard dash.

SHERIFF ROACH GOT 150 GALLONS OF MASH IN RAID

Mrs. Ina Gray Arrested at Her Home 2½ Miles Southeast of Town

Mrs. Ina Gray, living two and a half miles southeast of Maryville, was arrested this morning on information of Prosecuting Attorney, Charles F. McCaffrey on a charge of violation of the prohibition law.

Sheriff Steve Roach and Deputy Sheriff Leo Atherton visited the Gray home this morning and found three fifty-gallon barrels of mash and several empty Karo syrup cans. No still was found by the officers but there was a gasoline stove in a summer kitchen. No liquor could be found by the officers around the house.

Mrs. Gray gave bail for $500 for her appearance at the adjourned term of circuit court to be held here May 29.

There have been rumors for some time that liquor was being made and sold at the Gray home but the authorities have been unable to secure any evidence. A few months ago a woman by the name of Mrs. Lillie Alexander committed suicide at the Gray home.

MOTOR CAR ACCIDENT NEAR DORMITORY LAST NIGHT

Raymond Rice Was Pinned Under Machine and Knocked Unconscious.

Bert Clowser and Raymond Rice were in a motor car which turned over about 10 o'clock last night as the crowd was leaving the College after the performance of "The Feast of the Lanterns." The occupants of the car were not seriously injured, although Clowser was pinned under the machine and was unconscious for some time after the accident.

According to the reports of the boys, they were driving north on the drive through the campus, near the new dormitory, which is being erected. A car driven on the wrong side of the drive came south and crowded them until they had to pull to the wrong side of the road to keep from hitting the car. After the car had passed the boys pulled back to the right side of the road; they were blinded by the light of another approaching machine and pulled the car into the sand, piled close to the drive for the workmen building the dormitory, and turned over.

The car turned flat on its back and pinned Clowser under the steering wheel. Rice was thrown out as it went over.

The machine was only slightly damaged. The windshield was torn off the radiator damaged and a light torn off. The engine was still running while the car was on its back, according to reports of observers.

SOUTHERN METHODISTS SUGGEST TRIPLE CHURCH MERGER.

Hot Springs, Ark., May 13.—Southern Methodists are talking today of triple merger of the Southern, Northern and the United Brethern churches. Bishop H. H. Fout, fraternal delegate from the United Brethern, suggested unification of his church with the Southern Methodists, declaring he was authorized by his church to make the proposal. The matter was referred to a committee.

McKIBBAN BELIEVES SUDAN GRASS DRY WEATHER SOLUTION.

C. D. McKibban, who lives four miles southeast of Maryville, believes in the sowing of Sudan grass as a dry weather plant. He says that if the Sudan grass gets just a little rain during the summer it will produce enough pasture to keep a team of horses and a cow to the acre. He says that he cut ten tons to the acre from the crop on his farm last year.

MOTHER AND DAUGHTER WEEK

PROGRAM FOR SERVICES FOR THE WEEK WAS ANNOUNCED

BANQUET ON FRIDAY EVE

For Mothers and Daughters at the First M. E. Church—The Program and Menu for Affair

An outline of the program for the mother and daughter week, May 14 to 21, was announced today by the Nodaway County Sunday School Association. The week will start tomorrow with Mothers' Day with special service in the Sunday School, morning worship service and sermon centering about motherhood, and old folks evening worship service.

Monday night will be community night; Tuesday, home night; Wednesday, mid-week prayer service; Thursday; visitor or chum night; Friday, mother and daughter banquet; Saturday, recreation day, and Sunday, May 21, girls or daughters day with special worship service in the Sunday School, with morning worship service and sermon centered about the daughter, and special girls evening service at regular church.

The program for the mother and daughter Banquet to be given on Friday evening at the First M. E. Church was announced. The theme: Choosing the better part: "But one thing is needful and Mary hath chosen that good part, which shall not be taken away from her." Luke 10:42.

The toastmistress at the banquet will be Mrs. F. S. King. The following toasts will be given:

Our Girls—Mrs. H. L. Raines.

Our Mothers—Margaret Remus.

Short Talks: Choosing the Better Part.

In the Home—Mrs. W. A. Miller. "The Sweetest Typo of Heaven is Home."

Song, "The Old Oaken Bucket."

In Our School Life—Louise Peery. "'Tis education forms the common mind; just as the twig is bent the tree's inclined."

Song, selected, by High School Quartet—Mary Holt, Alice Allen, Mary Currutt, Lucile Gaugh.

In Our Church Life—Mrs. Charles Gaugh. "Religion is using everything for God."

Solo, selected—By Helen Baker.

In Our Companionships—Merle Hankins. "Old friends are best. King James used to call for his old shoes; they were easiest for his feet."

Song, "Should Auld Acquaintance be Forgot?"

That We May Attain Ideal Womanhood—By Miss Anna Painter, instructor in English, S. T. C. "Be true to your own highest convictions."

Song—Benediction.

The banquet will be served at 6:30 that evening. Tickets for the banquet will be sold by the superintendents of Sunday schools, and reservations may be made Sunday, May 14. Covers will be laid for about 250 mothers and daughters.

The menu follows:

Radishes Pickles
Chicken pie
Mashed potatoes Peas
Salad
Hot rolls Jelly
Ice Cream Home made cake
Coffee

MISS NELLIE HALASEY BACK FROM TEXAS SCHOOLS

Petition to Get Her to Return Sent Here But She Prefers Missouri to Sunny South.

Miss Nellie Halasey has returned from Perryton, Texas, where she taught in the schools last year. Miss Halasey will not return to Texas next year despite the fact that they want her to come back very much. Bert Cooper has received a petition which is signed by thirty-five or forty patrons and children of her school asking her to return next year. Miss Halasey says that the schools in Texas are not up to the standard of those here and for that reason she would rather teach in Missouri.

Mother's Day Address.

Dr. Fred Keller of the State Teachers College will give the Mother's Day address at the Methodist church in Arkoe tomorrow morning.

Mrs. Ethel Eggers went to St. Joseph today.

Mrs. Mary Baker went to Barnard today.

HEITMAN FILES FOR PERSIDING COUNTY JUDGE

Was Four Years a Member of Polk Township Board and is a Good Roads Booster

Henry Heitman of Polk township filed today for the Democratic nomination for presiding judge of the county court. Mr. Heitman lives in the Mt. Ayr community. He was for four years a member of the Polk township board and is a strong good roads booster. Mr. Heitman was a member of the board when as a candidate for re-election the Republicans at their township convention endorsed him and the Democrats endorsed the Republican member of the board.

By his work on the township board he is well fitted and qualified for the court.

MUSIC MEMORY CONTEST TODAY

WAS AT THE HIGH SCHOOL AT 10 O'CLOCK.

NO PROGRAM TONIGHT

At Christian Church Tomorrow Evening—Combined Bands Under Kutschinski Monday Night.

The Music Memory Contest of the Music Week was held at 10 o'clock this morning at the Maryville High School auditorium and the results will be announced later.

Sixty pupils from the high schools and the grade schools of Maryville, Elmo, Clearmont and Guilford took part in the contests. A dozen records were played and the contestants wrote on paper the required information regarding them. Each of the schools had a high school class and a grade school class.

There will be no program tonight. Tomorrow morning at all the churches in town and at a number throughout the county the subject of music will be stressed in the morning sermon. Tomorrow evening the Municipal Chorus of Maryville will give a sacred concert at First Christian church at 8:15. Monday evening the combined bands of the county will give a program at the College auditorium under the direction of C. D. Kutschinski. The program will be as follows:

March, "American Legion" (Bugbone.)

Overture, "Arcadia" (Laurens).

Cornet solo, "Columbia" (Fantasia Polka) (Rollinson)—William Gaugh.

Waltzes, "June Twilight" (King).

March, "Frontier Echoes" (Watson).

Medley, "Memories of Stephen Foster" (Holmes).

March, "Semper Fidelis" (Sousa).

Overture, "Scenes from Operaland" (Arr. by Hayes.)

Descriptive, "A Summer Evening in Hawaii" (Wheeler).

Synopsis: Evening shades falling; Singing of birds; Firing of cannon in sundown salute; National Hymn heard in the distance played by Band at the Fort; Flourish of trumpets, announcing arrival of Her Majesty, Queen Liliuokalani; Citizens gathering for festival; Group of serenaders; Strumming of ukeleles; Hiawaiian popular song; The Hula Hula Dance; Dancing becomes general; Finale.

March, "The Stars and Stripes Forever" (Sousa).

Music Week will close Tuesday evening with the concert by the famous contralto singer, Mme. Margaret Matzenauer.

STANLEY PIERSON WAS ARRESTED BY OFFICIALS

Wanted On Charge of Bogus Checks—Warrant Was Issued in 1920—Has Been Out of State

Stanley Pierson was arrested today on charge of issuing bogus checks. The warrant was issued in 1920 but was not served until today on account of the fact that Pierson has been out of the state since that time. Pierson's parents live southeast of Hopkins. His father and mother went on his bond for $300 for his appearance at the adjourned term of circuit court to be held May 29.

Morvich Popular At Louisville

Louisville, Ky., May 13—Morvich is the popular favorite as the hour of running the forty-eighth Kentucky derby approaches. The city is jammed with visitors.

A marriage license was issued today to John Virgil Hagey and Clella Headrick, both of Burlington Junction.

NEW WAR IF DOOR CLOSED TO RUSSIA

PREMIER LLOYD GEORGE SOUNDS WARNING.

BARTHOU STILL OBJECTS

He Has Been Instructed by Paris to Insist on Closing Conference at Once.

Genoa, May 13.—The peril of a new European war was sounded today by Premier Lloyd George "if the door is closed to Russia." The warning followed the official announcement France would not accept the proposal for a Russian truce based on the Russian note of Thursday.

"France cannot accept the truce proposal as it stands a great menace. Russia's propaganda would continue and the commission would work in constant fear of the red army Russian violence," said M. Barthou of the French delegation.

It is reliably reported Barthou received telephone instructions from Paris to insist on the adjournment of the conference at the earliest moment, not to allow new discussions to develop and to assent to the Russian commission on condition that a commission be formed elsewhere and only the big five, some neutrals and possibly the United States be given membership.

FRED GOWDY ACQUITTED AT SAVANNAH YESTERDAY

Jury Out About 30 Minutes—Gowdy Represented by Shinabargar, Blagg & Ellison

A jury at Savannah late yesterday afternoon acquitted Fred Gowdy of Atchison county on a charge of receiving stolen property. Gowdy was represented by W. A. Blagg and George Robb Ellison of Maryville and Grover Sparks of Savannah.

Gowdy was charged with buying three hogs from his cousin, Lee Gowdy, who is now in the county jail at Rock Port awaiting trial on several charges. These hogs were stolen from the farm of Walter Glenn in Atchison county and George Keever, Lee Gowdy and Earl Fox admitted on the witness stand in Savannah that they stole the hogs from Glenn and said they did not tell Fred Gowdy that they were stolen hogs. Keever and Fox as well as Gowdy have been in jail at Rock Port.

The jury was out only thirty minutes. The state was represented by Special Attorney General Allen May, W. R. Littell of Tarkio, Prosecuting Attorney Tom Bailey of Atchison County, and Prosecuting Attorney Stephen Fee of Andrew County.

DR. T. J. EAGLE WORKED IN VICINITY OF GUILFORD

To Do Considerable Work in and Around Hopkins Next Week—Will Also Be Near Gaynor City.

On Thursday and Friday of this week Dr. T. J. Eagle tested more than 200 head of cattle. Thursday he made his tests in the vicinity of Guilford, working under the supervision of W. W. Oliver. Friday he worked in the vicinity of Barnard and Graham. Today he finished his week's work east of Hopkins under the supervision of Bert Warren. Dr. Eagle reports that the people in the communities in which he has worked this week showed a marked interest in the work.

Monday Dr. Eagle will make tests at Hopkins and west of Burlington Junction. Tuesday he will be in the vicinity of Gaynor City and Orrsburg and on Wednesday he will be at Hopkins again and will do testing in the stockyards. The work at Hopkins for next week will be organized by Fred Woolridge. Three hundred cattle are to be tested at Hopkins Wednesday. Chutes will be prepared at two of the farms near Hopkins.

Mrs. Thomas Farrell and daughters, Bernice and Mary Margaret, of Burlington Junction, are visiting in Maryville this afternoon.

R. T. Lamar and Misses Kate and Maud Ellen Lamar are in Maryville today.

THE WEATHER

Fair tonight and Sunday; not much change in temperature.

THE DEMOCRAT-FORUM

LARGEST CIRCULATION IN NODAWAY COUNTY

SCIENTIFIC MINDED BOYS

A dealer in radio material in another city speaking recently about radio experiences and apparatus, said: "A lot of boys that I know, know more about the radio than almost anyone else. Some of our people have been buying expensive apparatus, when they could have saved money if they had let some of these young amateurs put in a set for them." Then he called out a young fellow of high school age who was tinkering in his back room, and asked him a lot of questions about radio apparatus.

The great interest taken by school boys and other fellows in experiments in this scientific marvel, is a most promising development. Many people have been feeling rather discouraged about the young folks, as if their minds were concentrated on frivolous subjects. But here the evidence is given that hundreds of thousands of these young folks have become fascinated by scientific and technical investigation and are amusing themselves in a pursuit that must help them fit for life.

These young fellows are not fooling with a mere toy. They are training their ingenuity and inventiveness, the qualities that have made America the leader in scientific and technical progress, and they are adding to their own powers by developing these faculties.

Young men who have formed this wholesome and developing interest, will not settle down and work in any routine way. When they see a job of work to be done, they will put their wits upon it, the same as they have into making and operating wireless apparatus. They will want to think out better and less expensiv ways of doing things.

Parents ought to encourage bays to go in for such experiments as they lead to mental enlargement and higher ideals of accomplishment.

THE FEDERAL BLUE SKY LAW

Congress is now considering a so-called federal blue sky law, aimed at faudulent and worthless cesurities. Legislation of that kind is more necessary than formerly, since people are buying such investments more.

Before the war most people of limited financial intelligence would put their money into good banks. They knew they were not competent to pass on investments, and wisely turned over their problems to bankers. But increased living costs led them to seek higher interest rates, and stories of fortunes quickly made led many to take big chances. An enormous amount of money is being thrown away annually in worthless investments. The federal government ought to use its utmost power to prevent thiswaste, which depletes the property of many struggling families.

According to Senator McCumber, republican, at the present rate of progress, the tariff bill now before the United States Senate should pass about September 27, 1946. Senator Capper of Kansas is authority for the statement that every day's delay in passing the bill is costing the people of the United States $3,000,000. Other senators of even higher rank declare that when it is passed, it will cost the American people a great deal more than $3,000,000 per day. Now, if you have a mathematical turn of mind, you can sit down and figure out what the prospects are under the present order of things.

The Gift of the Farm

We thank you, old farm, forever
For the gift you have freely made
To the world and its hard endeavor,
Of the boys and the girls who played
On your beautiful hills and meadows,
Who digged in your kindly soil
And who learned in your sun and shadows
The lesson of honest toil.

We thank you for hands so ready
Their manifold tasks to do,
For minds that are keen and steady,
For hearts that are strong and true,
For people of lowly station,
For those who have won renown,
For the best who have served the nation
In the country and the town.

—By Clarence E. Flynn in Farm Life.

A CASE OF SENATORIAL BLINDNESS.

The appointment of Nat Goldstein of St. Louis to be internal revenue collecter has been withdrawn following a scathing denunciation by former Governor Lowden of Illinois and a flood of protests from reputable citizens in the state of Missouri, but it has left Senator Spencer in a most undesirable position.

Mr. Goldstein was one of a number of republicans who admitted to having received money from the "Lowden fund" during the last campaign. Several of them are now holding federal positions although Mr. Lowden was not nominated. Mr. Goldstein was regarded as one of the worst offenders of the bunch having received a comparatively large amount which he claimed to have returned after the exposure was made public.

Senator Spencer not only endorsed Mr. Goldstein for the appointment but has attempted to excuse and defend his action in handling this money all the way through. When asked point blank in the Senate the other day by Senator Harrison if he approved it, he is reported to have replied that he "saw no objection to it." Right there Senator Spencer did more to convince the public that he has not the proper conception of his high position than anything that could have been written or said by opposition.

Senator Spencer took a prominent part in whitewashing and afterward seating Senator Newberry of Michigan and in that mess his conception of public morals may have become calloused but certainly he has not been away from the good citizenship of Missouri long enough not to know that it does not approve of the flagrant and open use of money in elections and that the good people of all parties, republican or democratic alike, do see objections to it. In this simple admission, coupled with his defense of Goldstein and Newberry, Senator Spencer has placed himself in a most undesirable position so far as the people of Missouri are concerned. He is suffering from a bad case of political astigmatism.

Forumettes

It too often happens what
We think is a house of
Granite only turns out
To be a house of cards.

Nothing makes the average woman madder than to be brought to realize that all the terrible things she thought her husband was doing were not being done by him at all.

Phenologists tell us human beings often resemble animals. We never believed it until we encountered a couple of road hogs on the Wilcox road the other day.

A pious physiognomy often covers a multitude of sins.

There is music in bells, but none is as sweet as the tinkle of the little gong on the cash register.

Too many women prefer to nurse a grudge to a baby.

Perhaps the reason some girls bleach their hair is because they want it to match their heads.

Uncle Abner, the town philosopher, says the fellow who considers what he is going to get out of a job before he considers what he is going to put into it, soon will be hunting another job.

The mother of yesterday who was shy in manner lives anew in the daughter who is shy in clothes.

If there were no more poor people who, do you suppose, would raise the mongrel dogs?

The man who picked his wife because of her dancing ability finds the fiddler is an expensive person.

Louise, the stenographer, says her idea of misfortune is being unable to see all the new films in town during the week.

Did you ever do anything harder than try to politely listen to a speaker you don't like and with whose opinions you do not agree?

Mrs. Alice Hosmer Here.

Mrs. Alice Hosmer arrived in Maryville today from Gary, Ind., for a visit at the home of her son, R. P. Hosmer, and family, and former friends. Mr. Hosmer and daughter, Miss Margaret Louise, motored to St. Joseph this morning to meet her.

Roy Kinnaird, county agent is working in the country today at the farms of John Gex, Ernest Bainum and John Evans.

HUNTER OF BIG GAME

Harry K. Eustice, 27 years a professional hunter of big game in Africa, who arrived in New York recently to satisfy his lifetime ambition to see that big town. He is a British subject, forty-six years old, and has been several times around the world. He ran away from home in London to lead a life of adventure, and he got it in the jungles of Africa.

Fifty Years Ago

(From the files of the Nodaway Democrat, May 15, 1872).

Messrs. Dawson & Edwards left on Monday morning to attend circuit court of Worth county, in session the present week.

A gentleman who resides east of the One Hundred and Two River informs us that all the frogs on that classic stream are constantly crying "Greeley, Greeley, Greeley." They are safe, however, as they are outside the corporation.

Charles Carl, arrested some time since for horse stealing and rescuing prisoners from the sheriff of Gentry county, escaped from the Worth county jail on Tuesday morning of last week.

Messrs. J. E. Alexander & Co., have just received a stock of flour from California.

We would call the attention of the Conservatives in the different townships to the fact that we are prepared to furnish tickets for the election of June 4.

We notice that James H. Saunders has removed his stock of goods from the west side of the square to Dr. Talbott's house on the south side of the square. Messrs. Sapp, George & Co. will immediately move their stock of clothing into the house recently occupied by Mr. Saunders.

A change has just gone into effect on the railroad by which the mail arrives from St. Joseph in the morning instead of at night.

We notice that Sylvester Markwell is opening a new fruit, ice cream and soda water establishment on Main street, opposite Moss's restaurant.

The Democrats and Liberals of Polk township and all who desire a change in the administration of our local affairs, are requested to meet at the court house in Maryville on Saturday, May 18, at 2 o'clock to nominate a People's ticket for township officers.

The county court of Nodaway county met at the court house May 6. Those present were Judges Terhune, Hays and Brady! I. N. Wray, sheriff, and Joe Jackson, clerk.

TWENTY YEARS AGO.

John G. Thornhill has sold his interest in the hardware firm of Shoptaugh & Thornhill to Henry Bucher of Clearmont. Mr. Bucher is at his place in the store. He and Mr. Shoptaugh were former partners at Clearmont.

The alley from Third to Fourth street, west of Nodaway Valley Bank, is to be paved, according to order of board at meeting last Friday night.

County court granted incorporation to New Conception this week.

Dr. Harl Holt, who recently graduated in dentistry at Kansas City, has formed a partnership with Dr. Templeton of this city.

W. R. McKee, John Coleman, Joseph H. Scott and J. E. Alexander, Junior, have been chosen members of the Pickering town board.

Thursday, May 22, will be graduation night of the Maryville High school. George E. Vincent, son of Bishop Vincent, will deliver the class address. On Sunday, May 18, Rev. I. T. Creek, pastor of the Baptist church, will preach the baccalaureate sermon. The alumni banquet will be held at Hotel Linville Friday night of that week.

This is fine corn weather. Most of the corn is planted and the ground has been in fine condition all spring.

Capt. I. V. McMillan has been honored by appointment on the staff by Gen. Coryell, commander-in-chief of Spanish-American war veterans. This appointment gives him the rank of colonel, the commission dating December 16, 1901.

News From Over The County

Barnard Bulletin.

Emily Mader, daughter of Mr. and Mrs. Godleib Mader, of Barnard while making a trip to Tindall, Mo., missed her train, became excited and forgot about herself. She was on her way to Tindall, Mo., where she was going to visit her sister, Eugene. She had to change cars at Trenton, which is about ten miles from her destination. She missed connections and became excited and was found on the streets by an officer. The officer could elicit no information from the confused girl, except that she was from Barnard. Upon calling Barnard he was instructed to bring her here, which they did Saturday. Mr. Mader says she is in a highly nervous state at this time and that he will probably take her to her sister's home near Tindall Sunday.

Willard Hartman suffered a badly broken nose and bruised face when he was kicked by a horse Saturday. Willard is the older son of Mr. and Mrs. W. F. Hartman.

The Sophomore class gave a very interesting program Thursday, the main feature was the Senior's funeral, but as it happened the Senior class viewed the corpse and each secured a flower from off the casket. After the program the class, chaperoned by Miss Julia Lowry, went out to Sam Wohlford's pasture and enjoyed a weiner roast. They all returned home about 6:30, each having enjoyed a pleasant afternoon.

Mrs. Jas. Hornbuckle was operated on Monday in St. Joseph, after a long illness. She is reported to be improving rapidly at this time. This is the third operation she has undergone and it is hoped that she will be greatly benefitted. Mr. and Mrs. W. W. Davidson of Guilford, Fred Bare and her husband were all present at the operation.

The Elmo Register.

Mr. and Mrs. John H. Owen and son, Joy Hannah, of Buena Vista, Colo., came in Wednesday night for a visit of two or three weeks with relatives. They drove through in their car.

Mrs. Anna Neff had a fall last week and hurt her shoulder severely. She was unable to rest a part of the time and suffered a great deal of pain.

Earl Hopper has got so he is able to walk around with a cane, but is not able to do much work yet. He was pretty badly hurt, and shows the effect of the fall he got.

Miss Ruth, daughter of George Colvin of Elmo, was elected as teacher of the third and fourth grades of the Blanchard school.

The Guilford Times.

Bud Veatch, former section foreman here, came to Guilford last Thursday from St. Joseph to visit friends. This is the first time Mr. Veatch has been here since getting out of the hospital. He is using crutches now as his leg is yet too tender for his artificial limb.

Last Saturday evening the school board met and selected the following teachers: Mrs. Lester Ellis, primary; Miss Sylvia Rogers, intermediate; Jesse Cling, grammar.

Wm. Campbell moved Monday from the Eunice Parr farm, southeast of town to the Mary Whiteford farm south of town. Virgil Campbell moved to the house vacated by his brother, Wm.

P. H. Dickens of Diagonal, Iowa, came to Guilford last Friday to take Mr. McClintock's place as station agent, during a few days' vacation which Mr. McClintock is enjoying in St. Joseph and Kansas City visiting.

The Clearmont News

L. L. Hart returned Thursday from Elmwood, Ill., where he had been attending the funeral of his cousin, John Hart. He reports that they are having lots of rain in that country, more than they want or really need.

The new restaurant firm of Rose and Bancroft will open up for business next Saturday morning. They have had the building fitted up in fine shape and will have as fine a restaurant as can be found in any of the larger towns.

This vicinity was visited by quite a shower Friday afternoon, accompanied by considerable hale that knocked off many buds from the fruit trees, but there are still enough left to make a good crop.

Mrs. Weber is having her business building raised and repaired, and in connection with the Odd Fellows and Masons, who own the upper story of the building, will have it stuccoed. This will sure improve the looks of our main business street.

The Ravenwood Gazette.

Henry Comer was in town Saturday, the first time in two months. Henry has been confined to the hospital and his home with pneumonia fever. He is looking a little thin, but says he feels all right, although quite weak yet.

Theo. Derks of Conception had the misfortune to have one of his ribs broken Wednesday by a horse crowding him against the manger. He was brought to Ravenwood and the broken bone was set by our local physician and at present Mr. Derks is doing as well as could be expected.

We received a letter from Ray Thompson of Rochester, Minn., Sunday, in which he says he is feeling fine and will soon be able to go to work again. This will be good news to his many friends here, as Ray has had quite a siege with his injured arm. He has been at Rochester a little over a year taking treatment.

Mrs. Martha Burke of Rose Hill, Va., died at her home May 2, after a lingering illness of several months with tuberculosis. Mrs. Burke was a sister of Mrs. Henry O'Banion and John and Wm. Slagle.

Mr. and Mrs. Walter Seybert announce the birth of a son May 8.

Mr. and Mrs. C. A. Hanks announce the marriage of their daughter, Irene, to Richard Ryan of Maryville. The wedding took place at Bedford, Iowa, April 14, 1921, and the young people kept it a secret until last week. Mr. and Mrs. Ryan will make their home in Maryville.

Skidmore News

Word was received here this week that Mrs. George Knogdell of Marysville, Kan., plan to go to California for the health of her little three year old daughter, who is just recovering from a six weeks siege of the flu. Mrs. Knogdell was formerly Miss Sarah Botner of near Quitman.

Winfred, son of Mr. and Mrs. Otto Monk, fell from a swing at the school grounds Tuesday, breaking his left arm about an inch and a half above the wrist. At last reports he was not suffering badly.

Tom Hickerson, Earl Conrad, R. P. Johnson, Russell Stevens and Woody Stamper left Tuesday afternoon for Hoisington, Kan., to work for the Ladd Construction Co., on a water system.

Mr. and Mrs. W. S. Linville and family moved Monday to the old Torrey farm, ¾ of a mile east of town, where they will spend the summer.

Dr. J. C. Manning announces the birth of a ten pound girl at the home of Mr. and Mrs. Dean Shull, Tuesday.

The two weeks old baby of Mr. and Mrs. Lester Lininger died Tuesday night and was buried in the Smith cemetery yesterday.

Burlington Junction Post

Fern Palmer, son of James Palmer of near Clearmont and Herbert Argo, son of J. H. Argo of Quitman, suffered painful bruises when a Ford roadster in which they were riding Sunday ran off a bridge near Mineral Springs and was overturned. Both were thrown clear of the car, which caught fire. They extinguished the flames before the car was damaged greatly.

Miss Leota Freeman, high school principal, received an injury last Thursday which will likely prevent her finishing the school term. While hurrying to school she fell on the concrete walk, injuring one knee to the extent that four stitches were necessary to close the injury.

Mrs. Ruth Cochran, who for some time has been clerking at the Junction Mercantile Company, has resigned her position and on Monday left for Kansas City where she is working as a stenographer for the Prudential Life Insurance Co.

Frederick Staples, small son of Mr. and Mrs. H. S. Staples, who has been quite sick for the past two weeks, is reported as improving.

Mr. and Mrs. K. R. Coile of Oskaloosa, Iowa, announce the birth of a daughter, Mary Jane, on Wednesday, May 10. Mrs. Coile was formerly Miss Mary Yapie of Burlington Junction.

The Hopkins Journal

Wm. McMaster, who accompanied Uncle Dick Kysar to the Mayo hospital in Rochester, Minn., writes that Mr. Kysar is in a very serious condition. He had been unconscious for several days but was rational and slightly improved when the letter was written. He had not been operated on and it is thought will never regain sufficient strength to warrant it.

A new front dorr is being placed by Alf Owens in the building occupied by the Hopkins Variety Store which will add very much to the appearance of the room. The owner of this store, Mrs. Augusta Fleming, is very progressive and is meeting with deserved success.

Prof M. F. Allison, wife and baby of Rushville, Mo., spent several days the past week in the John Aley home. Prof. Allison is superintendent of the Rushville public school and his wife is a daughter of Mr. and Mrs. Aley. Mrs. McKee of Monmouth, Ill., and Mrs. M. G. Cordell of White River, S. D., also visited in this home, these ladies being sisters of Mr. Aley.

An iron pump is now in the town well at the Sayler Hardware Company corner and Charley Evans who put it in says there is eight feet of water in the well and as the well is only 19 feet deep, it can be seen there is little danger of pumping it dry. It is hard to estimate just how much water is used from this well daily but it amounts to hundreds of barrels, being considered one of the best wells between Creston and St. Joseph.

FORREST GILLAM 7-ROOMED DUTCH COLONIAL RESIDENCE

Forrest Gillam is building a 7-roomed Dutch Colonial residence on North Market street, north of the S. G. Gillam residence. It is to be modern throughout with hardwood finish. It will have a sunparlor and a full basement. The outside will be finished with light red brick, green shutters and a green roof.

ORCHARDS GETTING THEIR 2ND APPLICATION OF SPRAY

There Are Four Spraying Seasons and the Last One Will Be in About Six Weeks

Orchard spraying, for the second application, has been in full progress during the past week. Roy A Kinnaird, county farm agent, has assisted in spraying five orchards this week, for some of these, this has been the first application and for some of them it has been the second application. During the season there are usually four applications made. For those orchards that this has been the second application another one will be made in about two or three weeks and the last one will be made in about six weeks.

Mr. Kinnaird reports that the prospects for fruit are good everywhere in the county in apples, pears, peaches, plumbs and cherries. Of all the fruits perhaps the pear crop is hurt the worst. There may not be a heavy crop of pears because the last cold spell caused many of the blooms to fall.

Most of the fruit that has been sprayed this week was apples.

Those who have sprayed the orchards this week are W. W. Grigsby, Skidmore; R. B. Gex, Graham; John Nielson, Maryville; T. E. Archer, Conception Junction and Eugene Lyle, Maryville.

Mr. Kinnaird is helping A. Lawson, near Harmony to spray his orchard this afternoon.

M. A. Peery, deputy grand master councilor for Northwest Missouri for the Order of DeMolay, has appointed the following members of the focal order to make up the Maryville instituting team: Master councilor, D. Gordon Roach; senior councilor, William Geist; junior councilor, William Mapel; senior deacon, Wilson McMurry; junior deacon, Marion Gile; senior Steward, Morris Chick; junior steward, Donald Davenport; marshal, Frank Mapel; chaplin, Townsend Godsey; standard bearer, Raymond Barry; sentinel, J. LeRoy Jones; preceptors, Harold Houchens, Joe Burris, Morton Evans, Russell Allan; Perry Eads, William McDougal and Vodre Willoughby.

The second degree team is as follows: Perry Eads, M. I.; Russell Allan, S. I.; Harold Houchens, J. I. William Mapel, DeM.; C. of A. Marion Gile; J. LeRoy Jones, Raymond Barry, Morris Chick, William McDougal, Joe Burris and Morton Evans, guards.

The members of the team are to serve until they become Master Masons.

MARYVILLE HIGH SCHOOL'S ACCOMPLISHMENTS REVIEWED

Won Nine Out of a Possible Twelve Firsts in Sub-District Events

A review of the accomplishments of the Maryville High School in the literary and music contests of the Northwest Missouri High School association was made at an assembly held at the school yesterday afternoon. In the final contests in literary and music events at the College the school had a hundred representatives, an unusually large number.

In the literary contests of the subdistrict, including typewriting Maryville took nine of a possible twelve firsts. Although Maryville did not win any first in the finals she was well honored. In the extemporaneous speaking Richard Baker representing the boys took third and Louise Peery of the girls took fourth.

In music the chorus composed of fifty-five voices won the cup. Hettie Mae Woodard took second. The quartet received third out of seven entries and the large orchestra took second the small one third.

In commercial work Pearl Deneen in beginners typewriting took second, Veda Hull received a fourth in advance shorthand.

At the assembly the gold lyres given by the Musicians club were presented by William Gaugh, who is president of the club to the following five: Bernice Holt and Harold Holt, who play violins; Hettie Mae Woodard, the pianist; Lucile Gaugh, mandolin, and Richard Baker, clarinet.

W. C. Pierce went to St. Joseph today.

Kenneth Evans Tells About Vitalized Agriculture in Rockford School

The following story about the Vitalized Agriculture work in his school was written by Kenneth Evans, a pupil at the Rockford School:

"I have been studying Vitalized Agriculture for two years. I think it is very important to the country children for the larger per cent of them will be farmers when they grow up and it will benefit them to learn all that vitalized agriculture teaches.

"The children enjoy it. It is very interesting and a change from studying other studies. Then in vitalized agriculture we have our arithmentic problems, spelling lessons, etc.

"When Dr. Fryer visited our school recently he said, 'I can tell that this is a vitalized agriculture school by the books. The vitalized agriculture schools introduce themselves.'

"Last year we studied 'soils' and this year it is 'growing things.' We made our own note book in which to write our field trips and compositions.

"I will now give you an outline of the year's work. Our first field trip was to find the acreage of a field by stepping it. Then we took up the study of corn. We estimated the amount of corn required to plant an acre. In this is an arithmetic problem.

"We then found the stand of corn and made a poster of it by each child taking a certain portion of the field and finding the per cent of a stand. We wrote a composition on the study of corn. Each child tested seed corn. My seed corn was 100 per cent. I used a Joe Nailer tester. We then made a seed corn score cord.

"We now made a study of potatoes. We made a field trip to a potato field. We scored the potatoes. This spring we made a potato survey of this district to find what part of an acre each person planted. We treated some scabby potatoes with formaldehyde.

"We next made a study of weeds. We made a week survey and found all the weeds we could. We clasified them as usual, biennial and perennial. We went to a field and found twenty different weeds in ten minutes. We made a weed seed poster of which we are very proud.

"We children had a canning experiment and we won several prizes at the Agricultural Fair. Kermit Moore won second prize on his cranberries so you can see what a boy can do.

"We made a study of wheat from the seed to the manufacture of flour. We made a study of the Hessian fly and on a field trip found it in the pupa stage. We learned to sow the wheat in the fall to prevent the fly. We sent the Hessian fly to different schools in the county that didn't find any fly in their district. The Hessian fly destroys 60,000,000 bushels of wheat every year. This would feed millions of starving Russians for six months.

"We made a study of the different kinds of clovers. We studied causes and remedies of clover failures and we also studied the clover mixtures which will be given later. We made a study of alfalfa and how to prepare the seed bed. We went on an alfalfa field trip.

"We made a study of soy beans. I am going to plant soy beans for an experiment. We made a study of the importance of sowing clean seeds. We made an experiment on this.

"We studied a good four year rotation plan for a 160 acre farm. We went on a field survey to a hot bed. We found how to make and care for the hot bed.

"We made a study of small bush fruits, how to propagate them, care for them, etc. We made a survey of this district to find how many people had the small bush fruits, also the kind and quantity. Each child made an orchard survey of their farm. As you can see we planted some plants for experiment and learned how to care for them.

"We made a number of projects for the home and posters on almost every subject we have studied. During the year we wrote twenty-eight compositions, made four score cards, had ten spelling lessons, made twenty-five posters, had twenty-six arithmetic problems and made twenty-seven projects.

"Is Vitalized Agriculture an important subject to be emphasized in the rural schools?"

SENATOR DECLARES U. S. ON VERGE OF A COTTON FAMINE

Washington, May 13.—Declaring the United States to be on the verge of the worst cotton famine in history, Senator Heflin, Democrat, of Alabama, asked the Senate to investigate the cotton exchange, the Chicago board of trade and the New Orleans cotton exchange for alleged price fixing and future sales. Heflin said the crop would be exhausted by July 1 and no more will be planted because the growers are bankrupt.

PIG CENSUS TAKEN BY AGRICULTURE DEPARTMENT

Rural Carriers Turn in Report from Farmers Along Their Routes

The Post Office on Saturday forwarded to Washington the report of the seven R. F. D. Carriers who deliver mail from Maryville postoffice, each of whom secured reports from a dozen farmers on his route as regards 1922 pig production compared with 1921.

We were not privileged to examine the reports, as the government instructed the postmasters at rural centers to consider the information confidential.

The blanks which the carriers carried has space for reporting the number acres on the farm, the report came from, the number of acres seeded to crops, including hay, and then came the pig census. Number of sows farrowing the first half of this year and size of the litters, was asked for, and the same information for Jan. 1st to June 1st 1921, likewise the pig crop for the last six months of last year, an estimate of this year's crop.

It is supposed that this information goes to some part of the agricultural department at Washington, the P.O. department being used as a means of securing the figures.

While some farmers objected to having their business pried into, the majority good naturedly named the figures when asked by the carriers, who have recently had this duty added to their other duties connected with the distribution of Uncle Sam's mail.

Inspecting Mail Boxes

Another thing which postmasters were asked to do by the department during April was to make a trip over each route and report as to condition of the mail boxes.

The object of the postal authorities endeavor is to give better service to patrons. For instance, when the carrier gets the blame for not stopping to take mail from a box for which he has none to deliver, and the signal is not flying, whose fault is it? The carriers gets the blame when the lady finds the letter still in the mailbox next day, but perhaps if she asked the small boy who took the letter to the box if he set the signal, the complainant might find it was not the mail carriers fault at all. Mail regulations were made to be observed, and one of these is to set the signal when mailing a letter.

"There's a reason" for making the regulations as to numbering boxes and placing names of owners on them also. Placing the mail box on the left side of the road, so the mail carriers runs the risk of his life from being jammed by a car coming when he is on the wrong side of the road, is also a thing about, says the postoffice department, when asking the postmasters and newspapers to pass these subjects on to the patrons of the routes.

Obituary

Mrs. Kate B. Young Cheney was born in Hillboro, O., Nov. 5, 1856, and died at her home near Vista, Mo., May 6, 1922. She was a daughter of Mary Jane and Milton Young.

She came to Missouri with her parents when a child and settled in the western part of Nodaway County, where she received her early training in the rural schools. At the age of sixteen she began teaching school and continued at this work in Nodaway and St. Clair counties for thirty-seven years.

About 1885 she was married to P. L. Cheney and continued to live in the county until 1895, when she moved with her husband to Osceola, Mo.

Surviving are her husband; one brother, William Young, West Point, Cal.; and the following nieces and nephews: P. C. Hays, Skidmore; M. R. Hays, Skidmore; E. C. Hays, Mullen, Neb.; Mrs. Z. R. Alexander, Elmo; Kirk S. Bell of Oklahoma; Mrs. Elvira Dawson, Maryville; and Mrs. W. A. Argo, Skidmore. Two sisters, Mrs. Laura Hays, who lived at Maryville and Mrs. Lee D. Bell, who lived at Neosho, Mo., preceded her in death.

Mrs. Cheney was buried at Osceola, Mo., Monday afternoon.

OBSERVE GOLDEN RULE WHILE ON PUBLIC HIGHWAY

Need of Improvement in Attitude Toward Other Drivers as Well as Toward Pedestrians

Lack of courtesy and a failure to recognize the reasonable rights of the highways have frequently been sighted as faults of many motorists.

The Golden Rule should be observed while driving on the public roads as much as anywhere else.

It is not alone in the attitude of the drivers towards the pedestrians that there is remissness, but in their behavior toward other drivers that there is need for improvement.

A well known authority in automobile circles has indicated that it is not too much to say that the future of the motoring world depends upon the behavior of the motorist toward the public.

The motor car driver must be the best driver on the highway, if he is to drive without offense to the public danger to others and himself, for he has to conduct a vehicle which is more valuable and more speedy than any other.

He must be on the lookout for pedestrians—stupid, drunk or deaf; for wagons on the wrong side of the dangerous corners, and he must be prepared to find vehicles in charge of sleepy drivers who will often do the wrong thing on being aroused. To keep in mind and practice the Golden Rule is no small part of his job. In this is involved most of his qualifications as a driver.—Farm Life.

STATE HAS CIGARETTE LAW.

Penalty Is Provided for Sale or Distribution Among Minors.

It is not generally known that Missouri has anti-cigarette laws applying to the sale and use of cigarettes with respect to minors. The laws are No. 3520 and 3521 of the revised statutes of Missouri and read as follows:

"Any person who shall, by himself, his servants or agents, or as the servant or agent of any other person, directly or indirectly or upon any pretense, or by any device, sell, give away or otherwise dispose of, to any person under the age of 18 years, any cigarette, cigarette paper or cigarette wrappers, or any substitute therefor, or for the purpose of being filled with tobacco for smoking, shall be adjudged guilty of a misdemeanor, and, upon conviction thereof, be punished by a fine of not less than $10 nor more than $100 for the first offense, and by a fine of not less than $50 nor more than $500 for the second offense."

"Every person, over the age of 10 years and under the age of 18 years, who shall smoke or use cigarettes on any public road, street, alley, park or other lands used for public purposes, or in any public place of business or amusement, or upon any railroad train or street car, shall upon conviction, be adjudged guilty of a misdemeanor and punished by a fine of not more than $10."

Social Affairs and Clubs

Arts and Crafts Meeting.

The Arts and Crafts department of the Twentieth Century Club will meet at the home of Mrs. J. R. Lowry on South Fillmore street Monday afternoon. This will be the last meeting of the department this year and the officers for the next year will be elected.

Club Gives Picnic Breakfast

The Eastern Star Club of the State Teachers College gave a picnic breakfast at 7:30 o'clock this morning which is to be the last social meeting this term. Mrs. W. L. Timons and Miss Ruth Patton of King City were guests of the Club. The members attending were Mr. and Mrs. Burt W. Loomis, Miss Lucile Holmes, Miss Katherine Helwig, Miss Dixie Miller, Miss May Everett, Miss Opal Hill, Miss Gladys Patton, Miss Mary Bailey, Miss Lethel Garten, Miss Glassie Wilson, Miss Alice Thompson, Miss Elvira Ward and Miss Margaret. Dietz.

Dinner Guests.

Miss Mildred Eckert will entertain at a dinner at 12:30 o'clock tomorrow at the home of her parents, Mr. and Mrs. C. J. Eckert on North Mulberry street. Covers will be laid for Miss Myrtle Kennish, Miss Lucile Brumbaugh, Miss Anna Mae Gillis, Miss Elvira Ward, Miss Clio Coler, Miss Lucile Wright, Miss Pauline Eckert and the hostess.

Dinner Guest.

Mrs. J. L. Gillette of Barnard will be the dinner guest of Mr. and Mrs. W. E. Goforth at their home on East Second street tomorrow.

Rural Club Receives

Members of the Rural Club of the State Teachers College are acting as a reception committee this afternoon for the students who will be graudated from the rural schools of the county.

COMMON SENSE SCHOOL WAS CLOSED YESTERDAY.

Mrs. Merlin Warehine closed a nine-months' term of school yesterday at the Common Sense school, one mile east of Orrsburg. Thursday evening an ice cream supper and program were given at the school house and yesterday the patrons of the school surprised the pupils and teacher with a basket dinner. The program was as follows:

Song by three girls.
Recitation—Forrest Conrad.
Recitation—Perly Lewis.
Dialog by two boys.
Recitation—Fay Simmons.
Drill by the little folks.
Recitation—Caudell Heflin.
Baseball dialog by eight boys.
Reading—Mrs. Halley Ford
Dialog, "Examination Day."

Miss Ethel Ray left today for St. Joseph where she will spend the week end with friends.

W. A. Brown of Ottumwa, Ia., is a guest here of his niece, Miss Grace M. Shepherd of the State Teachers College faculty.

Nurses Found Their Babies At Hospital

Miss Margaret Scully and Mrs. Kathleen Hutchison, county health nurses, and Dr. Claude P. Fryer wondered yesterday afternoon why it was that only one baby attended the weekly health clinic. Later in the afternoon, after they were convinced that there would not be any more children this week, they left the office and went over to the St. Francis hospital. There it was they found the reason for the absence of babies from the clinic. Ninety-seven babies had been there during the afternoon attending the open house held in honor of the babies who had been born at the hospital.

The oldest boy who attended the reception was Edward Tindall, son of Mr. and Mrs. W. A. Tindall of Maryville. He is sixteen years old. The oldest girl baby was Frances Bluel, who is fifteen years old. The youngest baby was Dorothy Lee, the one week old daughter of Mr. and Mrs. Sherman Montgomery.

8TH GRADE COMMENCEMENT EXERCISES AT QUITMAN

Class of Eleven Members Graduated From Miss Hoshor's Room—Diplomas Presented

The eighth grade commencement exercises were held last night at Quitman. Eleven pupils were graduated and a program was given. A large crowd attended. Leslie G. Somerville, county superintendent of schools, presented the diplomas. Miss Emma Hoshor was the teacher of the grade.

The baccalaureate sermon for the high school will be given tomorrow at the Methodist church. The senior class has five members. The commencement exercises will be held Friday evening.

FAST EXPRESS TRAIN WRECKED BY A MOTOR TRUCK.

Batavia, N. Y., May 13.—The Black Diamond Express, the crack flyer of the Lehigh Valley, east bound, traveling more than a mile a minute, hit a motor truck at North Leroy. Three coaches rolled down the steep embankment. Word was received here twenty-five passengers and trainmen were injured, some seriously. Three are reported killed. The injured ones were put on a special train for here.

STEEL CORPORATIONS ORDERED TO FURNISH INFORMATION

Washington, May 13—The federal trade commission today ordered the Bethlehem steel corporation and seven other large steel and iron companies to furnish information regarding their proposed merger before transfers are consumated. This is in accordance with the LaFollette resolution yesterday. It was announced the proposed merger has been under investigation since last December.

Empire

Tonight—10c; 20-2c—Louis Weber in "TOO WISE WIVES." Also comedy.

Monday—10c; 20-2c—Louis Joseph Vance novel, "THE BRONZE BELL." Also ultra rapid camera showing how to play golf.

Tuesday 10c; 20-2c—Ethel Clayton in "BEYOND." Also golf picture. Comedy.

Wednesday and Thursday—20-2c 31-4c—auspices 20th Century Club. Will Rogers in "POOR RELATION." Also musical program.

Friday and Saturday—15-2c; 31-4c—Winston Churchill's novel "INSIDE THE CUP." Also comedy.

A PLEASANT PLACE FOR GENTLE FOLKS.

ROCKFORD SCHOOL CLOSED YESTERDAY

ADDRESSES MADE AND PROGRAM GIVEN

GOOD AGRICULTURE WORK

Vitalized Study Complimented by Professor Bert Cooper—Have Raised Plants

The closing day program of the Rockford School, seven miles southwest of Maryville, included a program by the students, talks by the patrons of the district and officers of the school and addresses by members of the faculty of the State Teachers College. Prof. Bert Cooper of the Extension Division of the College complimented the teacher, Miss Rose Shinabarger and the students of the district for the work they have done and said "I think that they are doing excellent work and that it is one of the very best rural schools I have ever seen anywhere."

Mr. Cooper was especially pleased with the work they had done in Vitalized Agriculture. Almost all of the program of the students, which was given yesterday was based on their work in the this line during the past eight months. The pupils have grown tomato and cabbage plants during the past few weeks and had them for sale at the school yesterday. One of the little boys in talking with Prof. W. W. Stanfield and comparing the plants they had grown at the school with the ones the College has grown in the green house, said "Our plants are better than yours and we have grown them without any artificial heat."

Practically every patron of the district was at the closing exercises, despite the fact that it is a busy season of the year. John Evans, president of the school board, made a talk at the program in which he emphasized the County Unit Bill. He said that the rural children were given an equal opportunity until they pass the eighth grade, but from there on they were paralized, while the children in the places the size of Maryville are given the opportunity of the high schools. He said that the county unit plan would give the rural children equal opportunities with the city children. Mr. Evans lamented the fact that there are so few high schools in the country so that the students can continue their high school work under environment.

Kirmet Moore gave the valedictory address and Evelyn Evans gave the address of welcome.

The program was:

Song.
Address of Welcome — Evelyn Evans.
Work of the "D" Grade in Language.
Recitation—Pauline Phillips.
Recitation—Eugene Moore.
Class recitation—Third Grade.
Recitation—Mary Alice Jones.
Recitation—Dorothy Nelle Moore.
Report of Year's Work in Vitalized Agriculture—Kenneth Evans.
Talk on Clover—Kermit Moore.
Talk on Potatoes—Mildred Williams.
Talk on Canning Experiment, "Cold Pack Method"—Mary Alice Jones.
Talk on Corn Testing—Ralph Phillip, Mildred Williams, and Ellis Clement.
Talk on Alfalfa—Evelyn Evans.
Presentation of Posters to College—Mary Alice.
Valedictory Address — Kerimt Moore.
Prof. W. W. Stanfield gave an address and accepted the posters for the College. Professor Bert Cooper made a short talk.

ST. FRANCIS HOSPITAL NOTES

Mrs. E. S. Mattson left the St. Francis Hospital today for her home in Maryville.

Darrell Ingle of Hopkins will leave the hospital this afternoon.

Miss Virginia Wainwight of Bedford who was brought to the hospital last Thursday and operated on for appendicitis is doing nicely.

Alley Peace of Clearmont had his tonsils removed this morning.

Mrs. Ira Hanna went to her home after about ten days in the hospital.

DRUG COMMISSIONER HELD ON A CHARGE OF BOOTLEGGING

Bloomfield, Mo., May 13—State Food and Drug Commissioner Prather is under a $1,000 bond today on a charge of bootlegging. Warrants were sworn out by Special Assistant Attorney General Ford. A gallon of whisky was found at Prather's home at Advance. A warrant is also out for Prather's brother, John.

IT WAS SOME HOG THAT R. N. ALLEN BUTCHERED

He Fed Him for a Year and a Half Then Made 45 Gallons of Lard and 300 Pounds of Sausage

Just to see how large a hog he could grow, R. N. Allen, who lives one mile east of Bedison on the old Thomas Wright farm, fed one of his barrows for a year and a half. He allowed Mr. Pig to run in the feed lot all the time and just eat all he could. At the end of this time he butchered. Just before doing the killing he put his prize on the scales and it weighed 960 pounds.

A block and tackle and a horse were used to swing the hog up to the limb of a tree. Mr. Allen is six feet tall, but as he stood on the ground the gamble, which was holding the hog so that his nose just missed the ground, was three feet above Mr. Allen's head. From the carcass was rendered forty-five gallons of lard, and 300 pounds of sausage were made, according to reports.

LESTER E. LYLE HAS 5-FOOTED PIG IN HIS HERD NOW

Lester E. Lyle, who lives three miles southeast of Maryville has a pig with five feet. One of Mr. Lyle's farrowed six pigs in her first litter. She got out of the lot and took them all down in the orchard one day. When she came back in the evening Mr. Lyle noticed that she had only five of her babies. He went to look for the other and found it coming. He had taken a basket to carry it in so that it would not squeal. Upon catching the little fellow he found that its right foreleg forked about the knee and that there were two feet on the leg. The pig cannot get about quite as well as the others of the litter but is said to be fattening and getting along well.

SEVENTY-TWO PUPILS AT GRADUATION EXERCISES

Seventy-two pupils from over the county were graduated from the eighth grade at the Commencement program which was held in the auditorium of the State Teachers College this afternoon. Prof. Harry A. Miller of the College gave the address. The class was presented to Leslie G. Somerville, county superintendent, by John R. Evans of the Rockford school.

No Trolley Service at Belfast

Belfast, May 13—Another riotous week-end was ushered in today with shooting affrays throughout Ulster. Trolley service was suspended on account of heavy street firing.

Are Visiting Here

Mr. and Mrs. J. W. Spencer of St. Joseph are visiting in Maryville with Mr. and Mrs. J. R. Brink.

WEDDED HIS SECRETARY

Congressman Benjamin Fairchild of New York found his secretary, Miss Elinor Parsons, twenty-six, such a desirable helpmate that he married her recently. The wedding was the culmination of a war-time romance wher Miss Parsons came to the capitol as an employee in the ordnance department, later becoming secretary to Mr. Fairchild when he entered congress in 1919. Mr. Fairchild was a widower and lost his only child, a son, in the aviation service during the war.

Wife to Accompany Explorer.

J. L. Cope, the explorer, returned to Plymouth, England, a year ahead of schedule; he had discovered extensive, workable mineral deposits and gained valuable knowledge relating to fisheries, including the secret migrating places of whales. After exploring these finds, he plans to go back, taking his wife with him, in which case she will be the first woman to set foot on the Antarctic continent.—Scientific American.

Different Reasons.

Mother (scrubbing Johnny's ears)—I certainly hate dirt.

Johnny—I do, too, ma.

Mother—I'd never believe it! Why?

Johnny—'Cause it makes you wash me.

An Exacting Fit.

"Brown is marrying again, I hear."

"So they say, and from all accounts his second wife will make rather a lively stepmother for the children."

"O, a sort of watch-your-step-mother, I suppose!"—Wayside Tales.

GARNET CUSHMAN WINS BABY PRIZE

GOT BED OFFERED BY BAILEY AND CUMMINS

THERE WERE 42 ENTRIES

Other Two High Scores Were by Lowell Noblet and Wilma Butcher

Garnet Cushman, son of Mr. and Mrs. H. B. Cushman of 609 East Fourth street was the lucky baby who won the childs bed given by Bailey and Cummins Furniture Co. as a prize to the most perfect baby entered in a baby contest. Forty-two entries were made in this contest which was begun by Mrs. Eva Hackney, Red Cross nurse last October and has extended over a period of six months.

The children were gradually eliminated in the contest until only three were left to compete for the prize. They were scored according to their attendance at the weekly clinics, weight in relation to height, cleanliness, diet and nutrition, home and care, which includes fresh air and recreation.

The highest three children were Garnet Cushman, son of Mr. and Mrs. H. B. Cushman, 609 East Fourth street; Lowell Noblet, son of Mr. and Mrs. Robert Noblet, living on R. F. D. No. 2 and Miss Wilma Butcher, daughter of Mrs. Eunice Butcher of 1122 East Second Street.

The individual score of the three highest babies was:

Garnet Cushman—Attendance 18 per cent; weight in relation to height, 18 per cent; cleanliness, 20 per cent; diet and nutrition, 19 per cent; home care, which includes fresh air and recreation, 20 per cent, total points, 95 per cent.

Lowell Noblet—Attendance, 18 per cent; weight in relation to height, 17 per cent; cleanliness, 20 per cent; diet and nutrition, 20 per cent; home care, which includes fresh air and recreation, 18 per cent; total points, 93 per cent.

Wilma Butcher—Attendance, 20 per cent; weight in relation to height, 18 per cent; cleanliness, 20 per cent; diet and nutrition, 16 per cent; home care, which includes fresh air and recreation, 18 per cent; total points, 92 per cent.

Mrs. Kathleen Hutchison and Miss Margaret Scully, county health nurses, said that some of the points which brought down what would otherwise have been a high score was the home care of the children. One example they gave was the feeding of some of the children. One child who was only nine months old, was permitted to eat candy. Irregular attendance at clinics and the home care were other reasons that some scores were lowered. For instance the nurses visited one home in which the child was required to sleep in rooms which were bordering on being air-tight; at least the proper amount of air was not allowed in the child's sleeping room.

MRS. CATHARINE M'KIBBAN MAKING REMARKABLE RECOVERY

A Case of Gangrene Has Practically Been Cured, Members of Her Family Believe.

Mrs. Catharine McKibban, nearly 85 years old and one of the old residents of the county, has made what physicians and members of her family think to be a remarkable recovery. As year ago as she was feeding some of the poultry about her home, four and a half miles southeast of Maryville, where she has lived for a half century she bruised her right leg about half way between the knee and her ankle. She did not think the injury serious and said nothing to other members of the family about it. Three weeks later the bruise became very sore and gangrene developed. The sore grew worse and spread nearly around the leg.

At last medical treatment began taking effect and today the sore has nearly all disappeared, leaving a place only about the size of a quarter. Members of her family believe that within two months she will be able to walk about and enjoy life again much the same that she did before the accident occurred.

ATCHISON COUNTY CASE IS BEING HEARD TODAY BY DAWSON

A hearing is being held today before Judge John M. Dawson of a petition to condemn land in Atchison county in an organized drainage district for drainage purposes. Several Atchison county residents are in attendance at the hearing. John C. Hunt and James F. Gore of Rock Port, M. H. Richards of Oregon and Judge W. C. Ellison of Maryville are the attorneys in the case.

RUINED BANK AT MOBERLY WILL NOT BE REOPENED.

Moberly, Mo., May 13.—The Farmers and Merchants Bank wrecked, it is alleged, through manipulations of the missing president, J. W. Bundridge, will not reopen, it was learned today. The indebtedness is so large that the $100,000 surplus is gone, leaving a depositors' deficit of over $150,000.

NEBRASKA CANDIDATE FOR SHERIFF KILLED BY POLICE.

Omaha, Nebr., May 13.—Patrick Lavell, Democratic candidate for sheriff of Douglas county, was killed early today in a gun fight with the police. Before he fell Lavell shot and probably fatally wounded policeman. It is believed he mistook police for holdup men.

ELECTRIC THEATRE

TONIGHT—Gladys Walton in "THE WISE KID." Also two reel western. Night 7:30 and 9:00—10c and 22c.

Monday, May 15—Art Acord in "WINNERS OF THE WEST." Also two reel western and a two reel comedy. Two matinees at 2:30 and 4:10—10c and 22c. Night 7:30 and 9:00—10c and 22c.

THE BRUMBAUGH WEEKLY NEWS

Published Weekly by G. E. Brumbaugh

Vol. 1. 102-104 South Main Street. NO. 9

A Personal Message From G. E. Brumbaugh.

In the two years that I have been in Maryville the one thing I have tried to bring out is that the keynote of this whole organization is Quality.

Whether it is work, parts, or the merchandise we sell, the outstanding thing is that we are still holding up that quality.

I have tried to hammer home the fact that when we offer you a VESTA BATTERY that we are offering you a battery that by its patented construction and the quality of its materials places it in a class by itself.

Whether you have realized the facts of all I have said in my advertising for the last two years I cannot tell. I do know that if you will take the time to look the facts square in the face, that you will realize the truth of these statements.

I have been in the Automotive, Electrical and Battery business seven years and I ought to know a good battery. I do. And I will stake what little reputation I might have on VESTA and "she" has never played me false as yet.

Advertising alone does not give a battery prestige. There must be something else behind it. Vesta has not built its reputation on advertising, but on Quality, Service, Performance.

We can prove all this and more. The facts are yours for the asking.

"Any VESTA Service Station is a Safe Place for a Car Owner to Go."

VOLUME 12. MARYVILLE, MISSOURI, SATURDAY, MAY 13, 1922 NO. 291

LITTLE LANTERNS PLEASED AUDIENCE

PRODUCED BY DEPARTMENT OF STATE TEACHERS COLLEGE

MISS FRASER MADE HIT

Songs and Dances Well Received and Applause Was Generous—Beautiful Stage Setting

"The Feast of the Lanterns," the second number of Nodaway County's First Annual Music Week Festival was played at the State Teachers College auditorium last night before a well pleased audience. The production of this operetta was due to the co-operative effort of the departments of home Economics, Fine Arts, Physical, Dramatic, Industrial Arts and Music of the State Teachers College.

The operetta opened with a Japanese chorus singing "Pretty Little Lanterns Al-ee." The chorus was robed in green and yellow and purple and yellow costumes and played on a stage of Japanese setting. At the front of the stage and at either side was a quaint Japanese booth, occupied in this scene by Ow Long, governess to the princess, played by Miss Justine Fraser and Wee Ling, maid to the princess, played by Miss Ruth Cline. Approximately sixty Japanese lanterns were included in the setting for the operetta.

Miss Marie Cloud carried the leading part in the operetta. She took the part of Princess Chan, a Chinese heiress, and held her audience with true princess dignity and later refused an encore after her solo, "O Beautiful."

"There Ought to be a Law in China" captivated the audience for Miss Justine Fraser, taking the part of Ow Long. She brought the first encore from the listeners and came back later with two clever exits which reflected much individuality.

Miss Helen Baker, playing the part of Mai Ku, a Japanese maid, sang the Juggler Song" and "See, My Hands are Empty," pleasing the audience especially with the latter.

Miss Ruth Cline, playing the part of Wee Ling, maid to the princess, was pleasing in her first appearance, "Ghost Song" but was at her best later in "The Beautiful Peacock" where she proved to Ow Long that she "must either get nothing or all."

Marjorie Reavis, taking the part of Lo Lee, a Japanese child, was self composed in her appearance with Mai Ku and chorus in the "Juggler Song."

Very attractive parts of the Operetta were the two dances given under the direction of Miss Mary MacLeod of the Physical department by Wing Toy, and Chin Chin, Japanese dancers. The dancers were supported with choruses in fancy costume.

The stage setting and costumes were special features of the operetta. The costume and designing and the stage settings were directed by Olive DeLuce of the Fine Arts department assisted by E. W. Glenn. Miss Hettie Anthony of the Home Economics department supervised the making of all the costumes.

The dancing was done by the students of the physical education department, under the direction of Miss Mary MacLeod. Miss Blanche Dow had charge of the dialogue and expression. C. R. Gardner directed the operetta and the accompanying was played by Miss Geneva Wilfley of the music department and Miss Alice Welling.

JOE ANDREWS OF GRAHAM, 80 YEARS OLD, DIED YESTERDAY.

Joe Andrews, 80 years old, who had lived in the vicinity of Graham for the past forty or fifty years, died at his home three miles south of that place at 3 o'clock yesterday afternoon. He leaves no near relatives. Funeral services were conducted at the Methodist Church at Graham at 2 o'clock this afternoon by the Rev. W. C. Francisco.

Mrs. Warren Jackson to Visit Here

Mrs. Warren Jackson and children, Norman and Raymond, of Des Moines, Iowa, will arrive in Maryville tomorrow evening to spend the week visiting at the home of Mr. and Mrs. Arthur A. Brewer on South Main Street.

Advising About School Building

Dr. C. P. Fryer, county health officer, conferred with the school board of Elmo yesterday as to the location of the new ward school building which Elmo has planned to erect.

Miss Beatrix Winn went to St. Joseph today to spend Sunday at home with her parents.

DELEGATES TO LEAVE SUNDAY FOR CONVENTION

M. E. Ford and Fred Hull to Constitutional Convention in Jefferson City.

M. E. Ford and Editor Fred Hull will leave tomorrow for Jefferson City where they will attend the state constitutional convention, being delegates to that convention from this senatorial district.

According to newspaper dispatches, a suggestion has been made that the convention adjourn until early fall. The committees to make preliminary investigations would work through the summer. The distractions of the primary campaign would be avoided, it also has been pointed out.

Governor Hyde has appointed Dr. W. H. Black of Marshall as delegate-at-large to the convention to succeed Judge N. A. Moseley of Poplar Bluff, who died a few days ago.

MARYVILLE PEOPLE MUST OPEN HOMES

LARGEST ENROLLMENT IN HISTORY AT S. T. C. THIS SUMMER

MAY BE ONE THOUSAND

College Authorities Will Make No Estimates—Students Coming From Out of District

Mrs. Alice R. Perrin says that it will be necessary for many of the people of Maryville, who have never before taken boarders to open their homes to them two weeks from now when students come in for the summer term at the State Teachers College. It has been rumored that there will be 1,000 students here for the summer. Authorities at the College refuse to make any estimate as to the number who will attend. The number in other years has never come any where near this point. There seems to be a hesitancy about making an estimate, lest it should be put too high. For the College to step up to the 1,000 mark in its enrollment so suddenly seems most too good to be true, but it may come. One fact is certain and that is that there will be the largest enrollment in history.

Mrs. Perrin says that regardless of the fact that there will be many more students than ever before there will be plenty of places for them. She thinks that the people of Maryville will arise to the occasion, no matter how great the demand.

Mrs. Perrin says that while the tendency is that all the students try to get rooms on the west side, in order that they may be near the College, she feels that there is no special drawback to being in the south or the north. For the boys the walk of a mile to the College is only a slight matter, especially when they can take their lunches at the College cafeteria and as to a girl, if she does not feel that she wants to walk all the time it is possible to go anywhere in the city at any time for 15 cents, the price of one fare in a Maryville jitney.

The indications are that the students for the summer will come from various sections of the state outside of the nineteen counties in the Fifth District. Mrs. Perrin has received letters from as far away as the section around Springfield. In some cases these people from far away have already engaged their rooms.

Those who wish to list their rooms can do so by calling Mrs. Perrin.

2,133 AUTOS OWNED BY FARMERS OF COUNTY

Also 90 Trucks and 114 Tractors According to Data Compiled by State Board.

Nodaway county farmers have 2,133 automobiles, 90 trucks and 114 tractors according to data compiled from the 1921 assessor's Farm Census listings by E. A. Logan and Jewell Mayes of the Federal-State Co-operative Crop Reporting service. Nodaway leads all of the other counties in the state in the number of cars owned by farmers.

Mrs. Kittie Young Visits Here

Mrs. Kittie Young of Kansas City arrived here yesterday and will be the guest of Mr. and Mrs. Levi Wallace until Monday evening.

Prof. Bert Cooper will be at Quitman next Friday night to deliver the graduating address for the schools there. On Thursday night he will deliver the graduation address for the schools at Caldwell, Kansas.

MARYVILLE PLACES SECOND IN MEET

GEORGE SMITH CARRIES AWAY TWO CUPS.

RELAY RECORD IS BROKEN

Eleven Schools Entered—Local Boy Ties State Record in 440-Yard Dash.

The Maryville High School track team took second place in the second annual American Legion track meet held at Albany yesterday with 29 points. First place was taken by the Albany High School, with 35 points. George Smith of Maryville was the high point man at the meet, making 16 points. He carried away two cups, one cup for the highest scoring individual and the other the four event cup offered by a theater at Albany. Maryville also won the relay cup in the half-mile race for class A schools. In addition to the cups brought home Maryville carried off eight medals for first, second and third places.

Smith made by far the best showing of any athlete on the field. He won the high hurdles with a lead of ten yards on his opponent, making the 110 yards in 15 1-5 seconds. The course which should be 120 yards long had been laid off in such a way that it was five yards short at each end. The proper number of hurdles were used and they were placed at the proper distances, but in place of having a dictance of fifteen yards at between the hurdles and the end of the course the distance was only ten yards. In the 440-yard dash Smith was a winner, in the low hurdles he was kept out of first place by the fact that his nearest opponents hand shot out a few inches in front of Smith, breaking the string, although his body was really behind that of Smith, and in the 100-yard dash he was kept from first place by a distance of only about six inches. In the relay race Smith came back strong again. He was fourth man and was touched off by O'Banion. O'Banion was even with his man but the Maryville boys lost three strides in the touch off. Perdew of Albany was in the lead. It was a great race but Smith forged a few inches ahead in the final spurt.

O'Banion has also been praised by local rooters. O'Banion was running third man in the relay. His opponent was leading him by fifteen yards in the touchoff but "Bun" was even with his man at the end of the 220 rush.

Following are the events, the winners and the time and distances:

100-yard dash—First, Danner, McFall; second, Smith, Maryville; third, Perdew, Albany; fourth, Franklin, Albany. Time 10 4-5 seconds.

Pole vault—First, Gibson, New Hampton; second, Leson, Mt. Ayr; third, Defenbaugh, Mt. Ayr, tied with Eaton, Maryville, and the points for third and fourth places were divided. Height raised from 10 ft., 2 in. to 10 ft., 3 in.

110-yard high hurdles—First, Smith, Maryville; second, York, New Hampton; third, Gibson, New Hampton; fourth, Sheldon, Albany. Time 15 1-5 seconds.

Hop, step and jump—First, Harris, Maysville; second, Agee, Stanberry; third, Neuman, Gentry; fourth, Bryson, King City, and Gibson, New Hampton, tied. Distance 41 ft., 5 in.

220-yard dash—First, Franklin, Albany; second, Perdew, Albany; third, Barry, Maryville; fourth, Robey, Maryville. Time lowered from 24 1-5 to 23 seconds flat.

High jump—First, Parman, Albany, and Gibson, New Hampton tied; third Torrence, Mt. Ayr; fourth, Stark, Bethany and Berry, King City tied. Height raised from 5 ft. 4 inches to 5 ft. 6 inches.

Standing broad jump—First, Brissey, Maysville; second, Defenbaugh, Mt. Ayr; third, Miller and Eaton, Maryville tied. Distance 9 ft. 6½ in.

440-yard dash—First, Smith, Maryville; second, Perdew, Albany; third, Franklin, Albany; fourth, Barry, Maryville. Time lowered from 56 1-5 to 52 seconds flat.

220-yard low hurdles—First, Redd, Albany; second, Smith, Maryville; third, York, New Hampton; fourth, Sheldon, Albany. Time lowered from 28 4-5 to 28 seconds flat.

Shot put—First, Shiatt, Bethany; second, Hesseltine, New Hampton; third, Masters, Maryville; fourth, Agee, Stanberry. Distance raised from 38 ft. ¾ in. to 39 ft., 5 in.

880-yard run—First, Seat, Grand view; second, Evans, Stanberry; third McCandless, Mt. Ayr; fourth, Blagg, Maryville. Time lowered from 2 minutes 14 1-5 seconds to 2 minutes 6 seconds.

Running broad jump—First, Perdew, Albany; second, Wright, McFall; third, Hikerson, Mt. Ayr; fourth, Street, Maryville. Distance, 19 ft. 9½ inches.

Discus — First, Hesseltine, New Hampton; second, Murray, Albany; third, Smith, Mt. Ayr; fourth, Masters, Maryville. Distance raised from 99 ft. 6½ inches to 100 ft. 4 inches.

In the relay Maryville broke her own record by one second, making it in 1 minute 37 seconds. The members of the team were Barry, P. Robey O'Banion and Smith. Albany got second place in the relay.

McFall won the relay in Class B.

Eleven schools were entered in the meet. Grandview won the Booster's Cup. Smith tied the state record in the 440-yard dash.

SHERIFF ROACH GOT 150 GALLONS OF MASH IN RAID

Mrs. Ina Gray Arrested at Her Home 2½ Miles Southeast of Town

Mrs. Ina Gray, living two and a half miles southeast of Maryville, was arrested this morning on information of Prosecuting Attorney, Charles F. McCartney on a charge of violation of the prohibition law.

Sheriff Steve Roach and Deputy Sheriff Leo Atherton visited the Gray home this morning and found three fifty-gallon barrels of mash and several empty Karo syrup cans. No still was found by the officers but there was a gasoline stove in a summer kitchen. No liquor could be found by the officers around the house.

Mrs. Gray gave bail for $500 for her appearance at the adjourned term of circuit court to be held here May 29.

There have been rumors for some time that liquor was being made and sold at the Gray home but the authorities have been unable to secure any evidence. A few months ago a woman by the name of Mrs. Lillie Alexander committed suicide at the Gray home.

MOTOR CAR ACCIDENT NEAR DORMITORY LAST NIGHT

Raymond Rice Was Pinned Under Machine and Knocked Unconscious.

Bert Clowser and Raymond Rice were in a motor car which turned over about 10 o'clock last night as the crowd was leaving the College after the performance of "The Feast of the Lanterns." The occupants of the car were not seriously injured, although Clowser was pinned under the machine and was unconscious for some time after the accident.

According to the reports of the boys, they were driving north on the drive through the campus, near the new dormitory, which is being erected. A car driven on the wrong side of the drive came south and crowded them until they had to pull to the wrong side of the road to keep from hitting the car. After the car had passed the boys pulled back to the right side of the road; they were blinded by the light of another approaching machine and pulled the car into the sand, piled close to the drive for the workmen building the dormitory, and turned over.

The car turned flat on its back and pinned Clowser under the steering wheel. Rice was thrown out as it went over.

The machine was only slightly damaged. The windshield was torn off, the radiator damaged and a light torn off. The engine was still running while the car was on its back, according to reports of observers.

SOUTHERN METHODISTS SUGGEST TRIPLE CHURCH MERGER

Hot Springs, Ark., May 13.—Southern Methodists are talking today of triple merger of the Southern, Northern and the United Brethern churches. Bishop H. H. Fout, fraternal delegate from the United Brethern, suggested unification of his church with the Southern Methodists, declaring he was authorized by his church to make the proposal. The matter was referred to a committee.

McKIBBAN BELIEVES SUDAN GRASS DRY WEATHER SOLUTION.

C. D. McKibban, who lives four miles southeast of Maryville, believes in the sowing of Sudan grass as a dry weather plant. He says that if the Sudan grass gets just a little rain during the summer it will produce enough pasture to keep a team of horses and a cow to the acre. He says that he cut ten tons to the acre from the crop on his farm last year.

MOTHER AND DAUGHTER WEEK

PROGRAM FOR SERVICES FOR THE WEEK WAS ANNOUNCED

BANQUET ON FRIDAY EVE

For Mothers and Daughters at the First M. E. Church—The Program and Menu for Affair

An outline of the program for the mother and daughter week, May 14 to 21, was announced today by the Nodaway County Sunday School Association. The week will start tomorrow with Mothers' Day with special service in the Sunday School morning worship service and sermon centering about motherhood, and old folks evening worship service.

Monday night will be community night; Tuesday, home night; Wednesday, mid-week prayer service; Thursday; visitor or chum night; Friday, mother and daughter banquet; Saturday, recreation day, and Sunday, May 21, girls or daughters day with special worship service in the Sunday School, with morning worship service and sermon centered about the daughter, and special girls evening service at regular church.

The program for the mother and daughter Banquet to be given on Friday evening at the First M. E. Church was announced. The theme: Choosing the better part: "But one thing is needful and Mary hath chosen that good part, which shall not be taken away from her." Luke 10:42.

The toastmistress at the banquet will be Mrs. F. S. King. The following toasts will be given:

Our Girls—Mrs. H. L. Raines.

Our Mothers—Margaret Remus.

Short Talks: Choosing the Better Part.

In the Home—Mrs. W. A. Miller. "The Sweetest Type of Heaven is Home."

Song, "The Old Oaken Bucket."

In Our School Life—Louise Peery. "'Tis education forms the common mind; just as the twig is bent the tree's inclined."

Song, selected, by High School Quartet—Mary Holt, Alice Allen, Mary Curnutt, Lucile Gaugh.

In Our Church Life—Mrs. Charles Gaugh. "Religion is using everything for God."

Solo, selected—By Helen Baker.

In Our Companionships—Merle Hankins. "Old friends are best. King James used to call for his old shoes; they were easiest for his feet."

Song, "Should Auld Acquaintance be Forgot?"

That We May Attain Ideal Womanhood—By Miss Anna Painter, instructor in English, S. T. C. "Be true to your own highest convictions."

Song—Benediction.

The banquet will be served at 6:30 that evening. Tickets for the banquet will be sold by the superintendents of Sunday schools, and reservations may be made Sunday, May 14. Covers will be laid for about 250 mothers and daughters.

The menu follows:

Radishes Pickles

Chicken pie

Mashed potatoes Peas

Salad

Hot rolls Jelly

Ice Cream Home made cake

Coffee

MISS NELLIE HALASEY BACK FROM TEXAS SCHOOLS

Petition to Get Her to Return Sent Here But She Prefers Missouri to Sunny South.

Miss Nellie Halasey has returned from Perryton, Texas, where she taught in the schools last year. Miss Halasey will not return to Texas next year despite the fact that they want her to come back very much. Bert Cooper has received a petition which is signed by thirty-five or forty patrons and children of her school asking her to return next year. Miss Halasey says that the schools in Texas are not up to the standard of those here and for that reason she would rather teach in Missouri.

Mother's Day Address.

Dr. Fred Keller of the State Teachers College will give the Mother's Day address at the Methodist church in Arkoe tomorrow morning.

Mrs. Ethel Eggers went to St. Joseph today.

Mrs. Mary Baker went to Barnard today.

HEITMAN FILES FOR PERSIDING COUNTY JUDGE

Was Four Years a Member of Polk Township Board and is a Good Roads Booster

Henry Heitman of Polk township filed today for the Democratic nomination for presiding judge of the county court. Mr. Heitman lives in the Mt. Ayr community. He was for four years a member of the Polk township board and is a strong good roads booster. Mr. Heitman was a member of the board when as a candidate for re-election the Republicans at their township convention endorsed him and the Democrats endorsed the Republican member of the board.

By his work on the township board he is well fitted and qualified for the court.

MUSIC MEMORY CONTEST TODAY

WAS AT THE HIGH SCHOOL AT 10 O'CLOCK.

NO PROGRAM TONIGHT

At Christian Church Tomorrow Evening—Combined Bands Under Kutschinski Monday Night.

The Music Memory Contest of the Music Week was held at 10 o'clock this morning at the Maryville High School auditorium and the results will be announced later.

Sixty pupils from the high schools and the grade schools of Maryville, Elmo, Clearmont and Guilford took part in the contests. A dozen records were played and the contestants wrote on paper the required information regarding them. Each of the schools had a high school class and a grade school class.

There will be no program tonight. Tomorrow morning at all the churches in town and at a number throughout the county the subject of music will be stressed in the morning sermon. Tomorrow evening the Municipal Chorus of Maryville will give a sacred concert at First Christian church at 8:15. Monday evening the combined bands of the county will give a program at the College auditorium under the direction of C. D. Kutschinski. The program will be as follows:

March, "American Legion" (Bugbione.)

Overture, "Arcadia" (Laurens).

Cornet solo, "Columbia" (Fantasia Polka) (Rollinson)—William Gaugh.

Waltzes, "June Twilight" (King).

March, "Frontier Echoes" (Watson).

Medley, "Memories of Stephen Foster" (Holmes).

March, "Semper Fidelis" (Sousa).

Overture, "Scenes from Operaland" (Arr. by Hayes.)

Descriptive, "A Summer Evening in Hawaii" (Wheeler).

Synopsis: Evening shades falling; Singing of birds; Firing of cannon in sundown salute; National Hymn heard in the distance played by Band at the Fort; Flourish of trumpets, announcing arrival of Her Majesty, Queen Liliuokalani; Citizens gathering for festival; Group of serenaders; Strumming of ukeleles; Hiawaiian popular song; The Hula Hula Dance; Dancing becomes general; Finale.

March, "The Stars and Stripes Forever" (Sousa).

Music Week will close Tuesday evening with the concert by the famous contralto singer, Mme. Margaret Matzenauer.

STANLEY PIERSON WAS ARRESTED BY OFFICIALS

Wanted On Charge of Bogus Checks—Warrant Was Issued in 1920—Has Been Out of State

Stanley Pierson was arrested today on charge of issuing bogus checks. The warrant was issued in 1920 but was not served until today on account of the fact that Pierson has been out of the state since that time. Pierson's parents live southeast of Hopkins. His father and mother went on his bond for $300 for his appearance at the adjourned term of circuit court to be held May 29.

Morvich Popular At Louisville

Louisville, Ky., May 13—Morvich is the popular favorite as the hour of running the forty-eighth Kentucky derby approaches. The city is jammed with visitors.

A marriage license was issued today to John Virgil Hagey and Clella Headrick, both of Burlington Junction.

NEW WAR IF DOOR CLOSED TO RUSSIA

PREMIER LLOYD GEORGE SOUNDS WARNING.

BARTHOU STILL OBJECTS

He Has Been Instructed by Paris to Insist on Closing Conference at Once.

Genoa, May 13.—The peril of a new European war was sounded today by Premier Lloyd George "if the door is closed to Russia." The warning followed the official announcement France would not accept the proposal for a Russian truce based on the Russian note of Thursday.

"France cannot accept the truce proposal as it stands a great menace. Russia's propaganda would continue and the commission would work in constant fear of the red army Russian violence," said M. Barthou of the French delegation.

It is reliably reported Barthou received telephone instructions from Paris to insist on the adjournment of the conference at the earliest moment, not to allow new discussions to develop and to assent to the Russian commission's on condition that a commission be formed elsewhere and only the big five, some neutrals and possibly the United States be given membership.

FRED GOWDY ACQUITTED AT SAVANNAH YESTERDAY

Jury Out About 30 Minutes—Gowdy Represented by Shinabargar, Blagg & Ellison

A jury at Savannah late yesterday afternoon acquitted Fred Gowdy of Atchison county on a charge of receiving stolen property. Gowdy was represented by W. A. Blagg and George Robb Ellison of Maryville and Grover Sparks of Savannah.

Gowdy was charged with buying three hogs from his cousin, Lee Gowdy, who is now in the county jail at Rock Port awaiting trial on several charges. These hogs were stolen from the farm of Walter Glenn in Atchison county and George Keever, Lee Gowdy and Earl Fox admitted on the witness stand in Savannah that they stole the hogs from Glenn and said they did not tell Fred Gowdy that they were stolen hogs. Keever and Fox as well as Gowdy have been in jail at Rock Port.

The jury was out only thirty minutes. The state was represented by Special Attorney General Allen May, W. R. Littell of Tarkio, Prosecuting Attorney Tom Bailey of Atchison County, and Prosecuting Attorney Stephen Fee of Andrew County.

DR. T. J. EAGLE WORKED IN VICINITY OF GUILFORD

To Do Considerable Work in and Around Hopkins Next Week—Will Also Be Near Gaynor City.

On Thursday and Friday of this week Dr. T. J. Eagle tested more than 200 head of cattle. Thursday he made his tests in the vicinity of Guilford, working under the supervision of W. W. Oliver. Friday he worked in the vicinity of Barnard and Graham. Today he finished his week's work east of Hopkins under the supervision of Bert Warren. Dr. Eagle reports that the people in the communities in which he has worked this week showed a marked interest in the work.

Monday Dr. Eagle will make tests at Hopkins and west of Burlington Junction. Tuesday he will be in the vicinity of Gaynor City and Orrsburg and on Wednesday he will be at Hopkins again and will do testing in the stockyards. The work at Hopkins for next week will be organized by Fred Woolridge. Three hundred cattle are to be tested at Hopkins Wednesday. Chutes will be prepared at two of the farms near Hopkins.

Mrs. Thomas Farrell and daughters, Bernice and Mary Margaret, of Burlington Junction, are visiting in Maryville this afternoon.

R. T. Lamar and Misses Kate and Maud Ellen Lamar are in Maryville today.

THE WEATHER

Fair tonight and Sunday; not much change in temperature.

THE DEMOCRAT-FORUM

Member of Audit Bureau of Circulations.

Entered as second class matter June 4, 1910, at the postoffice at Maryville, Mo., under the act of March 3, 1879.

LARGEST CIRCULATION IN NODAWAY COUNTY

SCIENTIFIC MINDED BOYS

A dealer in radio material in another city speaking recently about radio experiences and apparatus, said: "A lot of boys that I know, know more about the radio than almost anyone else. Some of our people have been buying expensive apparatus, when they could have saved money if they had let some of these young amateurs put in a set for them." Then he called out a young fellow of high school age who was tinkering in his back room, and asked him a lot of questions about radio apparatus.

The great interest taken by school boys and other fellows in experiments in this scientific marvel, is a most promising development. Many people have been feeling rather discouraged about the young folks, as if their minds were concentrated on frivolous subjects. But here the evidence is given that hundreds of thousands of these young folks have become fascinated by scientific and technical investigation and are amusing themselves in a pursuit that must help them fit for life.

These young fellows are not fooling with a mere toy. They are training their ingenuity and inventiveness, the qualities that have made America the leader in scientific and technical progress, and they are adding to their own powers by developing these faculties.

Young men who have formed this wholesome and developing interest, will not settle down and work in any routine way. When they see a job of work to be done, they will put their wits upon it, the same as they have into making and operating wireless apparatus. They will want to think out better and less expensiv ways of doing things.

Parents ought to encourage bays to go in for such experiments as they lead to mental enlargement and higher ideals of accomplishment.

THE FEDERAL BLUE SKY LAW

Congress is now considering a so-called federal blue sky law, aimed at faudulent and worthless cesurities. Legislation of that kind is more necessary than formerly, since people are buying such investments more.

Before the war most people of limited financial intelligence would put their money into good banks. They knew they were not competent to pass on investments, and wisely turned over their problems to bankers. But increased living costs led them to seek higher interest rates, and stories of fortunes quickly made led many to take big chances. An enormous amount of money is being thrown away annually in worthless investments. The federal government ought to use its utmost power to prevent thiswaste, which depletes the property of many struggling families.

According to Senator McCumber, republican, at the present rate of progress, the tariff bill now before the United States Senate should pass about September 27, 1946. Senator Capper of Kansas is authority for the statement that every day's delay in passing the bill is costing the people of the United States $3,000,000. Other senators of even higher rank declare that when it is passed, it will cost the American people a great deal more than $3,000,000 per day. Now, if you have a mathematical turn of mind, you can sit down and figure out what the prospects are under the present order of things.

The Gift of the Farm

We thank you, old farm, forever
For the gift you have freely made
To the world and its hard endeavor,
Of the boys and the girls who played
On your beautiful hills and meadows,
Who digged in your kindly soils
And who learned in your sun and shadows
The lesson of honest toil.

We thank you for hands so ready
Their manifold tasks to do,
For minds that are keen and steady,
For hearts that are strong and true,
For people of lowly station,
For those who have won renown,
For the best who have served the nation
In the country and the town.

—By Clarence E. Flynn in Farm Life.

A CASE OF SENATORIAL BLINDNESS.

The appointment of Nat Goldstein of St. Louis to be internal revenue collector has been withdrawn following a scathing denunciation by former Governor Lowden of Illinois and a flood of protests from reputable citizens in the state of Missouri, but it has left Senator Spencer in a most undesirable position.

Mr. Goldstein was one of a number of republicans who admitted to having received money from the "Lowden fund" during the last campaign. Several of them are now holding federal positions although Mr. Lowden was not nominated. Mr. Goldstein was regarded as one of the worst offenders of the bunch having received a comparatively large amount which he claimed to have returned after the exposure was made public.

Senator Spencer not only endorsed Mr. Goldstein for the appointment but has attempted to excuse and defend his action in handling this money all the way through. When asked point blank in the Senate the other day by Senator Harrison if he approved it, he is reported to have replied that he "saw no objection to it." Right there Senator Spencer did more to convince the public that he has not the proper conception of his high position than anything that could have been written or said by opposition.

Senator Spencer took a prominent part in whitewashing and afterward seating Senator Newberry of Michigan and in that mess his conception of public morals may have become calloused but certainly he has not been away from the good citizenship of Missouri long enough not to know that it does not approve of the flagrant and open use of money in elections and that the good people of all parties, republican or democratic alike, do see objections to it. In this simple admission, coupled with his defense of Goldstein and Newberry, Senator Spencer has placed himself in a most undesirable position so far as the people of Missouri are concerned. He is suffering from a bad case of political astigmatism.

Forumettes

It too often happens what
We think is a house of
Granite only turns out
To be a house of cards.

Nothing makes the average woman madder than to be brought to realize that all the terrible things she thought her husband was doing were not being done by him at all.

Phenologists tell us human beings often resemble animals. We never believed it until we encountered a couple of road hogs on the Wilcox road the other day.

A pious physiognomy often covers a multitude of sins.

There is music in bells, but none is as sweet as the tinkle of the little gong on the cash register.

Too many women prefer to nurse a grudge to a baby.

Perhaps the reason some girls bleach their hair is because they want it to match their heads.

Uncle Abner, the town philosopher, says the fellow who considers what he is going to get out of a job before he considers what he is going to put into it, soon will be hunting another job.

The mother of yesterday who was shy in manner lives anew in the daughter who is shy in clothes.

If there were no more poor people who, do you suppose, would raise the mongrel dogs?

The man who picked his wife because of her dancing ability finds the fiddler is an expensive person.

Louise, the stenographer, says her idea of misfortune is being unable to see all the new films in town during the week.

Did you ever do anything harder than try to politely listen to a speaker you don't like and with whose opinions you do not agree?

Mrs. Alice Hosmer Here.

Mrs. Alice Hosmer arrived in Maryville today from Gary, Ind., for a visit at the home of her son, R. P. Hosmer, and family, and former friends. Mr. Hosmer and daughter, Miss Margaret Louise, motored to St. Joseph this morning to meet her.

Roy Kinnaird, county agent is working in the country today at the farms of John Gex, Ernest Bainum and John Evans.

HUNTER OF BIG GAME

Harry K. Eustice, 27 years a professional hunter of big game in Africa, who arrived in New York recently to satisfy his lifetime ambition to see that big town. He is a British subject, forty-six years old, and has been several times around the world. He ran away from home in London to lead a life of adventure, and he got it in the jungles of Africa.

Fifty Years Ago

(From the files of the Nodaway Democrat, May 15, 1872).

Messrs. Dawson & Edwards left on Monday morning to attend circuit court of Worth county, in session the present week.

A gentleman who resides east of the One Hundred and Two River informs us that all the frogs on that classic stream are constantly crying "Greeley, Greeley, Greeley." They are safe, however, as they are outside the corporation.

Charles Carl, arrested some time since for horse stealing and rescuing prisoners from the sheriff of Gentry county, escaped from the Worth county jail on Tuesday morning of last week.

Messrs. J. E. Alexander & Co., have just received a stock of flour from California.

We would call the attention of the Conservatives in the different townships to the fact that we are prepared to furnish tickets for the election of June 4.

We notice that James H. Saunders has removed his stock of goods from the west side of the square to Dr. Talbott's house on the south side of the square. Messrs. Sapp, George & Co. will immediately move their stock of clothing into the house recently occupied by Mr. Saunders.

A change has just gone into effect on the railroad by which the mail arrives from St. Joseph in the morning instead of at night.

We notice that Sylvester Markwell is opening a new fruit, ice cream and soda water establishment on Main street, opposite Moss's restaurant.

The Democrats and Liberals of Polk township and all who desire a change in the administration of our local affairs, are requested to meet at the court house in Maryville on Saturday, May 18, at 2 o'clock to nominate a People's ticket for township officers.

The county court of Nodaway county met at the court house May 6. Those present were Judges Terhune, Hays and Brady! I. N. Wray, sheriff, and Joe Jackson, clerk.

TWENTY YEARS AGO.

John G. Thornhill has sold his interest in the hardware firm of Shoptaugh & Thornhill to Henry Bucher of Clearmont. Mr. Bucher is at his place in the store. He and Mr. Shoptaugh were former partners at Clearmont.

The alley from Third to Fourth street, west of Nodaway Valley Bank, is to be paved, according to order of board at meeting last Friday night.

County court granted incorporation to New Conception this week.

Dr. Harl Holt, who recently graduated in dentistry at Kansas City, has formed a partnership with Dr. Templeton of this city.

W. R. McKee, John Coleman, Joseph H. Scott and J. E. Alexander, Junior, have been chosen members of the Pickering town board.

Thursday, May 22, will be graduation night of the Maryville High school. George E. Vincent, son of Bishop Vincent, will deliver the class address. On Sunday, May 18, Rev. I. T. Creek, pastor of the Baptist church, will preach the baccalaureate sermon. The alumni banquet will be held at Hotel Linville Friday night of that week.

This is fine corn weather. Most of the corn is planted and the ground has been in fine condition all spring.

Capt. I. V. McMillan has been honored by appointment on the staff by Gen. Coryell, commander-in-chief of Spanish-American war veterans. This appointment gives him the rank of colonel, the commission dating December 16, 1901.

News From Over The County

Barnard Bulletin.

Emily Mader, daughter of Mr. and Mrs. Godleib Mader, of Barnard while making a trip to Tindall, Mo., missed her train, became excited and forgot about herself. She was on her way to Tindall, Mo., where she was going to visit her sister, Eugene. She had to change cars at Trenton, which is about ten miles from her destination. She missed connections and became excited and was found on the streets by an officer. The officer could elicit no information from the confused girl, except that she was from Barnard. Upon calling Barnard he was instructed to bring her here, which they did Saturday. Mr. Mader says she is in a highly nervous state at this time and that he will probably take her to her sister's home near Tindall Sunday.

Willard Hartman suffered a badly broken nose and bruised face when he was kicked by a horse Saturday. Willard is the older son of Mr. and Mrs. W. F. Hartman.

The Sophomore class gave a very interesting program Thursday, the main feature was the Senior's funeral, but as it happened the Senior class viewed the corpse and each secured a flower from off the casket. After the program the class, chaperoned by Miss Julia Lowry, went out to Sam Wohlford's pasture and enjoyed a weiner roast. They all returned home about 6:30, each having enjoyed a pleasant afternoon.

Mrs. Jas. Hornbuckle was operated on Monday in St. Joseph, after a long illness. She is reported to be improving rapidly at this time. This is the third operation she has undergone and it is hoped that she will be greatly benefitted. Mr. and Mrs. W. W. Davidson of Guilford, Fred Bare and her husband were all present at the operation.

The Elmo Register.

Mr. and Mrs. John H. Owen and son, Joy Hannah, of Buena Vista, Colo., came in Wednesday night for a visit of two or three weeks with relatives. They drove through in their car.

Mrs. Anna Neff had a fall last week and hurt her shoulder severely. She was unable to rest a part of the time and suffered a great deal of pain.

Earl Hopper has got so he is able to walk around with a cane, but is not able to do much work yet. He was pretty badly hurt, and shows the effect of the fall he got.

Miss Ruth, daughter of George Colvin of Elmo, was elected as teacher of the third and fourth grades of the Blanchard school.

The Guilford Times.

Bud Veatch, former section foreman here, came to Guilford last Thursday from St. Joseph to visit friends. This is the first time Mr. Veatch has been here since getting out of the hospital. He is using crutches now as his leg is yet too tender for his artificial limb.

Last Saturday evening the school board met and selected the following teachers: Mrs. Lester Ellis, primary; Miss Sylvia Rogers, intermediate; Jesse Cling, grammar.

Wm. Campbell moved Monday from the Eunice Parr farm, southeast of town to the Mary Whiteford farm south of town. Virgil Campbell moved to the house vacated by his brother, Wm.

P. H. Dickens of Diagonal, Iowa, came to Guilford last Friday to take Mr. McClintock's place as station agent, during a few days' vacation which Mr. McClintock is enjoying in St. Joseph and Kansas City visiting.

The Clearmont News

L. L. Hart returned Thursday from Elmwood, Ill., where he had been attending the funeral of his cousin, John Hart. He reports that they are having lots of rain in that country, more than they want or really need.

The new restaurant firm of Rose and Bancroft will open up for business next Saturday morning. They have had the building fitted up in fine shape and will have as fine a restaurant as can be found in any of the larger towns.

This vicinity was visited by quite a shower Friday afternoon, accompanied by considerable hale that knocked off many buds from the fruit trees, but there are still enough left to make a good crop.

Mrs. Weber is having her business building raised and repaired, and in connection with the Odd Fellows and Masons, who own the upper story of the building, will have it stuccoed. This will sure improve the looks of our main business street.

The Ravenwood Gazette.

Henry Comer was in town Saturday, the first time in two months. Henry has been confined to the hospital and his home with pneumonia fever. He is looking a little thin, but says he feels all right, although quite weak yet.

Theo. Derks of Conception had the misfortune to have one of his ribs broken Wednesday by a horse crowding him against the manger. He was brought to Ravenwood and the broken bone was set by our local physician and at present Mr. Derks is doing as well as could be expected.

We received a letter from Ray Thompson of Rochester, Minn., Sunday, in which he says he is feeling fine and will soon be able to go to work again. This will be good news to his many friends here, as Ray has had quite a siege with his injured arm. He has been at Rochester a little over a year taking treatment.

Mrs. Martha Burke of Rose Hill, Va., died at her home May 2, after a lingering illness of several months with tuberculosis. Mrs. Burke was a sister of Mrs. Henry O'Banion and John and Wm. Slagle.

Mr. and Mrs. Walter Seybert announce the birth of a son May 8.

Mr. and Mrs. C. A. Hanks announce the marriage of their daughter, Irene, to Richard Ryan of Maryville. The wedding took place at Bedford, Iowa, April 14, 1921, and the young people kept it a secret until last week. Mr. and Mrs. Ryan will make their home in Maryville.

Skidmore News

Word was received here this week that Mrs. George Knogdell of Marysville, Kan., plan to go to California for the health of her little three year old daughter, who is just recovering from a six weeks siege of the flu. Mrs. Knogdell was formerly Miss Sarah Botner of near Quitman.

Winfred, son of Mr. and Mrs. Otto Monk, fell from a swing at the school grounds Tuesday, breaking his left arm about an inch and a half above the wrist. At last reports he was not suffering badly.

Tom Hickerson, Earl Conrad, R. P. Johnson, Russell Stevens and Woody Stamper left Tuesday afternoon for Hoisington, Kan., to work for the Ladd Construction Co., on a water system.

Mr. and Mrs. W. S. Linville and family moved Monday to the old Torrey farm, ¾ of a mile east of town, where they will spend the summer.

Dr. J. C. Manning announces the birth of a ten pound girl at the home of Mr. and Mrs. Dean Shull, Tuesday.

The two weeks old baby of Mr. and Mrs. Lester Lininger died Tuesday night and was buried in the Smith cemetery yesterday.

Burlington Junction Post

Fern Palmer, son of James Palmer of near Clearmont and Herbert Argo, son of J. H. Argo of Quitman, suffered painful bruises when a Ford roadster in which they were riding Sunday ran off a bridge near Mineral Springs and was overturned. Both were thrown clear of the car, which caught fire. They extinguished the flames before the car was damaged greatly.

Miss Leota Freeman, high school principal, received an injury last Thursday which will likely prevent her finishing the school term. While hurrying to school she fell on the concrete walk, injuring one knee to the extent that four stitches were necessary to close the injury.

Mrs. Ruth Cochran, who for some time has been clerking at the Junction Mercantile Company, has resigned her position and on Monday left for Kansas City where she is working as a stenographer for the Prudential Life Insurance Co.

Frederick Staples, small son of Mr. and Mrs. H. S. Staples, who has been quite sick for the past two weeks, is reported as improving.

Mr. and Mrs. K. R. Coile of Oskaloosa, Iowa, announce the birth of a daughter, Mary Jane, on Wednesday, May 10. Mrs. Coile was formerly Miss Mary Yapie of Burlington Junction.

The Hopkins Journal

Wm. McMaster, who accompanied Uncle Dick Kysar to the Mayo hospital in Rochester, Minn., writes that Mr. Kysar is in a very serious condition. He had been unconscious for several days but was rational and slightly improved when the letter was written. He had not been operated on and it is thought will never regain sufficient strength to warrant it.

A new front dorr is being placed by Alf Owens in the building occupied by the Hopkins Variety Store which will add very much to the appearance of the room. The owner of this store, Mrs. Augusta Fleming, is very progressive and is meeting with deserved success.

Prof M. F. Allison, wife and baby of Rushville, Mo., spent several days the past week in the John Aley home. Prof. Allison is superintendent of the Rushville public school and his wife is a daughter of Mr. and Mrs. Aley. Mrs. McKee of Monmouth, Ill., and Mrs. M. G. Cordell of White River, S. D., also visited in this home, these ladies being sisters of Mr. Aley.

An iron pump is now in the town well at the Sayler Hardware Company corner and Charley Evans who put it in says there is eight feet of water in the well and as the well is only 19 feet deep, it can be seen there is little danger of pumping it dry. It is hard to estimate just how much water is used from this well daily but it amounts to hundreds of barrels, being considered one of the best wells between Creston and St. Joseph.

FORREST GILLAM 7-ROOMED DUTCH COLONIAL RESIDENCE

Forrest Gillam is building a 7-roomed Dutch Colonial residence on North Market street, north of the S. G. Gillam residence. It is to be modern throughout with hardwood finish. It will have a sunparlor and a full basement. The outside will be finished with light red brick, green shutters and a green roof.

ORCHARDS GETTING THEIR 2ND APPLICATION OF SPRAY

There Are Four Spraying Seasons and the Last One Will Be in About Six Weeks

Orchard spraying, for the second application, has been in full progress during the past week. Roy A Kinnaird, county farm agent, has assisted in spraying five orchards this week, for some of these, this has been the first application and for some of them it has been the second application. During the season there are usually four applications made. For those orchards that this has been the second application another one will be made in about two or three weeks and the last one will be made in about six weeks.

Mr. Kinnaird reports that the prospects for fruit are good everywhere in the county in apples, pears, peaches, plumbs and cherries. Of all the fruits perhaps the pear crop is hurt the worst. There may not be a heavy crop of pears because the last cold spell caused many of the blooms to fall.

Most of the fruit that has been sprayed this week was apples.

Those who have sprayed the orchards this week are W. W. Grigsby, Skidmore; R. B. Gex, Graham; John Nielson, Maryville; T. E. Archer, Conception Junction and Eugene Lyle, Maryville.

Mr. Kinnaird is helping A. Lawson, near Harmony to spray his orchard this afternoon.

PEERY APPOINTS MARYVILLE INSTITUTION DE MOLAY TEAM

Members to Serve Until They Become Master Masons—D. Gordon Roach Master Councilor

M. A. Peery, deputy grand master councilor for Northwest Missouri for the Order of DeMolay, has appointed the following members of the focal order to make up the Maryville instituting team: Master councilor, D. Gordon Roach; senior councilor, William Geist; junior councilor, William Mapel; senior deacon, Wilson McMurry; junior deacon, Marion Gile; senior Steward, Morris Chick; junior steward, Donald Davenport; marshal, Frank Mapel; chaplin, Townsend Godsey; standard bearer, Raymond Barry; sentinel, J. LeRoy Jones; preceptors, Harold Houchens, Joe Burris, Morton Evans, Russell Allan; Perry Eads, William McDougal and Vodre Willoughby.

The second degree team is as follows: Perry Eads, M. I.; Russell Allan, S. I.; Harold Houchens, J. I. William Mapel, DeM.; C. of A. Marion Gile; J. LeRoy Jones, Raymond Barry, Morris Chick, William McDougal, Joe Burris and Morton Evans, guards.

The members of the team are to serve until they become Master Masons.

MARYVILLE HIGH SCHOOL'S ACCOMPLISHMENTS REVIEWED

Won Nine Out of a Possible Twelve Firsts in Sub-District Events

A review of the accomplishments of the Maryville High School in the literary and music contests of the Northwest Missouri High School association was made at an assembly held at the school yesterday afternoon. In the final contests in literary and music events at the College the school had a hundred representatives, an unusually large number.

In the literary contests of the subdistrict, including typewriting Maryville took nine of a possible twelve firsts. Although Maryville did not win any first in the finals she was well honored. In the extemporaneous speaking Richard Baker representing the boys took third and Louise Peery of the girls took fourth.

In music the chorus composed of fifty-five voices won the cup. Hettie Mae Woodard took second. The quartet received third out of seven entries and the large orchestra took second the small one third.

In commercial work Pearl Deneen in beginners typewriting took second, Veda Hull received a fourth in advance shorthand.

At the assembly the gold lyres given by the Musicians club were presented by William Gaugh, who is president of the club to the following five: Bernice Holt and Harold Holt, who play violins; Hettie Mae Woodard, the pianist; Lucile Gaugh, mandolin, and Richard Baker, clarinet.

W. C. Pierce went to St. Joseph today.

Kenneth Evans Tells About Vitalized Agriculture in Rockford School

The following story about the Vitalized Agriculture work in his school was written by Kenneth Evans, a pupil at the Rockford School:

"I have been studying Vitalized Agriculture for two years. I think it is very important to the country children for the larger per cent of them will be farmers when they grow up and it will benefit them to learn all that vitalized agriculture teaches.

"The children enjoy it. It is very interesting and a change from studying other studies. Then in vitalized agriculture we have our arithmentic problems, spelling lessons, etc.

"When Dr. Fryer visited our school recently he said, 'I can tell that this is a vitalized agriculture school by the books. The vitalized agriculture schools introduce themselves.'

"Last year we studied 'soils' and this year it is 'growing things.' We made our own note book in which to write our field trips and compositions.

"I will now give you an outline of the year's work. Our first field trip was to find the acreage of a field by stepping it. Then we took up the study of corn. We estimated the amount of corn required to plant an acre. In this is an arithmetic problem.

"We then found the stand of corn and made a poster of it by each child taking a certain portion of the field and finding the per cent of a stand. We wrote a composition on the study of corn. Each child tested seed corn. My seed corn was 100 per cent. I used a Joe Nailer tester. We then made a seed corn score cord.

"We now made a study of potatoes. We made a field trip to a potato field. We scored the potatoes. This spring we made a potato survey of this district to find what part of an acre each person planted. We treated some scabby potatoes with formaldehyde.

"We next made a study of weeds. We made a week survey and found all the weeds we could. We clasified them as usual, biennial and perennial. We went to a field and found twenty different weeds in ten minutes. We made a weed seed poster of which we are very proud.

"We children had a canning experiment and we won several prizes at the Agricultural Fair. Kermit Moore won second prize on his cranberries so you can see what a boy can do.

"We made a study of wheat from the seed to the manufacture of flour. We made a study of the Hessian fly and on a field trip found it in the pupa stage. We learned to sow the wheat in the fall to prevent the fly. We sent the Hessian fly to different schools in the county that didn't find any fly in their district. The Hessian fly destroys 60,000,000 bushels of wheat every year. This would feed millions of starving Russians for six months.

"We made a study of the different kinds of clovers. We studied causes and remedies of clover failures and we also studied the clover mixtures which will be given later. We made a study of altalfa and how to prepare the seed bed. We went on an alfalfa field trip.

"We made a study of soy beans. I am going to plant soy beans for an experiment. We made a study of the importance of sowing clean seeds. We made an experiment on this.

"We studied a good four year rotation plan for a 160 acre farm. We went on a field survey to a hot bed. We found how to make and care for the hot bed.

"We made a study of small bush fruits, how to propagate them, care for them, etc. We made a survey of this district to find how many people had the small bush fruits, also the kind and quantity. Each child made an orchard survey of their farm. As you can see we planted some plants for experiment and learned how to care for them.

"We made a number of projects for the home and posters on almost every subject we have studied. During the year we wrote twenty-eight compositions, made four score cards, had ten spelling lessons, made twenty-five posters, had twenty-six arithmetic problems and made twenty-seven projects.

"Is Vitalized Agriculture an important subject to be emphasized in the rural schools?"

SENATOR DECLARES U. S. ON VERGE OF A COTTON FAMINE

Washington, May 13.—Declaring the United States to be on the verge of the worst cotton famine in history, Senator Heflin, Democrat, of Alabama, asked the Senate to investigate the cotton exchange, the Chicago board of trade and the New Orleans cotton exchange for alleged price fixing and future sales. Heflin said the crop would be exhausted by July 1 and no more will be planted because the growers are bankrupt.

PIG CENSUS TAKEN BY AGRICULTURE DEPARTMENT

Rural Carriers Turn in Report from Farmers Along Their Routes

The Post Office on Saturday forwarded to Washington the report of the seven R. F. D. Carriers who deliver mail from Maryville postoffice, each of whom secured reports from a dozen farmers on his route as regards 1922 pig production compared with 1921.

We were not privileged to examine the reports, as the government instructed the postmasters at rural centers to consider the information confidential.

The blanks which the carriers carried has space for reporting the number acres on the farm, the report came from, the number of acres seeded to crops, including hay, and then came the pig census. Number of sows farrowing the first half of this year and size of the litters, was asked for, and the same information for Jan. 1st to June 1st 1921, likewise the pig crop for the last six months of last year, an estimate of this year's crop.

It is supposed that this information goes to some part of the agricultural department at Washington, the P.O. department being used as a means of securing the figures.

While some farmers objected to having their business pried into, the majority good naturedly named the figures when asked by the carriers, who have recently had this duty added to their other duties connected with the distribution of Uncle Sam's mail.

Inspecting Mail Boxes

Another thing which postmasters were asked to do by the department during April was to make a trip over each route and report as to condition of the mail boxes.

The object of the postal authorities endeavor is to give better service to patrons. For instance, when the carrier gets the blame for not stopping to take mail from a box for which he has none to deliver, and the signal is not flying, whose fault is it? The carriers gets the blame when the lady finds the letter still in the mailbox next day, but perhaps if she asked the small boy who took the letter to the box if he set the signal, the complainant might find it was not the mail carriers fault at all. Mail regulations were made to be observed, and one of these is to set the signal when mailing a letter.

"There's a reason" for making the regulations as to numbering boxes and placing names of owners on them also. Placing the mail box on the left side of the road, so the mail carriers runs the risk of his life from being jammed by a car coming when he is on the wrong side of the road, is also a thing about, says the postoffice department, when asking the postmasters and newspapers to pass these subjects on to the patrons of the routes.

Obituary

Mrs. Kate B. Young Cheney was born in Hillboro, O., Nov. 5, 1856, and died at her home near Vista, Mo., May 6, 1922. She was a daughter of Mary Jane and Milton Young.

She came to Missouri with her parents when a child and settled in the western part of Nodaway County, where she received her early training in the rural schools. At the age of sixteen she began teaching school and continued at this work in Nodaway and St. Clair counties for thirty-seven years.

About 1883 she was married to P. L. Cheney and continued to live in the county until 1895, when she moved with her husband to Osceola, Mo.

Surviving are her husband; one brother, William Young, West Point, Cal.; and the following nieces and nephews: P. C. Hays, Skidmore; M. R. Hays, Skidmore; E. C. Hays, Mullen, Neb.; Mrs. Z. R. Alexander, Elmo; Kirk S. Bell of Oklahoma; Mrs. Elvira Dawson, Maryville; and Mrs. W. A. Argo, Skidmore. Two sisters, Mrs. Laura Hays, who lived at Maryville and Mrs. Lee D. Bell, who lived at Neosho, Mo., preceded her in death.

Mrs. Cheney was buried at Osceola, Mo., Monday afternoon.

OBSERVE GOLDEN RULE WHILE ON PUBLIC HIGHWAY

Need of Improvement in Attitude Toward Other Drivers as Well as Toward Pedestrians

Lack of courtesy and a failure to recognize the reasonable rights of the highways have frequently been sighted as faults of many motorists.

The Golden Rule should be observed while driving on the public roads as much as anywhere else.

It is not alone in the attitude of the drivers towards the pedestrians that there is remissness, but in their behavior toward other drivers that there is need for improvement.

A well known authority in automobile circles has indicated that it is not too much to say that the future of the motoring world depends upon the behavior of the motorist toward the public.

The motor car driver must be the best driver on the highway, if he is to drive without offense to the public danger to others and himself, for he has to conduct a vehicle which is more valuable and more speedy than any other.

He must be on the lookout for pedestrians—stupid, drunk or deaf; for wagons on the wrong side of the dangerous corners, and he must be prepared to find vehicles in charge of sleepy drivers who will often do the wrong thing on being aroused. To keep in mind and practice the Golden Rule is no small part of his job. In this is involved most of his qualifications as a driver.—Farm Life.

STATE HAS CIGARETTE LAW.

Penalty Is Provided for Sale or Distribution Among Minors.

It is not generally known that Missouri has anti-cigarette laws applying to the sale and use of cigarettes with respect to minors. The laws are No. 3520 and 3521 of the revised statutes of Missouri and read as follows:

"Any person who shall, by himself, his servants or agents, or as the servant or agent of any other person, directly or indirectly or upon any pretense, or by any device, sell, give away or otherwise dispose of, to any person under the age of 18 years, any cigarette, cigarette paper or cigarette wrappers, or any substitute therefor, or for the purpose of being filled with tobacco for smoking, shall be adjudged guilty of a misdemeanor, and, upon conviction thereof, be punished by a fine of not less than $10 nor more than $100 for the first offense, and by a fine of not less than $50 nor more than $500 for the second offense."

"Every person, over the age of 10 years and under the age of 18 years, who shall smoke or use cigarettes on any public road, street, alley, park or other lands used for public purposes, or in any public place of business or amusement, or upon any railroad train or street car, shall upon conviction, be adjudged guilty of a misdemeanor and punished by a fine of not more than $10."

Covers will be laid for Miss Myrtle Kennish, Miss Lucile Brumbaugh, Miss Anna Mae Gillis, Miss Elvira Ward, Miss Clio Coler, Miss Lucile Wright, Miss Pauline Eckert and the hostess.

Dinner Guest.

Mrs. J. L. Gillette of Barnard will be the dinner guest of Mr. and Mrs. W. E. Goforth at their home on East Second street tomorrow.

Rural Club Receives

Members of the Rural Club of the State Teachers College are acting as a reception committee this afternoon for the students who will be graudated from the rural schools of the county.

COMMON SENSE SCHOOL WAS CLOSED YESTERDAY.

Mrs. Merlin Warehine closed a nine-months' term of school yesterday at the Common Sense school, one mile east of Orrsburg. Thursday evening an ice cream supper and program were given at the school house and yesterday the patrons of the school surprised the pupils and teacher with a basket dinner. The program was as follows:

Song by three girls.
Recitation—Forrest Conrad.
Recitation—Perly Lewis.
Dialog by two boys.
Recitation—Fay Simmons.
Drill by the little folks.
Recitation—Caudell Heflin.
Baseball dialog by eight boys.
Reading—Mrs. Halley Ford
Dialog, "Examination Day."

Miss Ethel Ray left today for St. Joseph where she will spend the week end with friends.

W. A. Brown of Ottumwa, Ia., is a guest here of his niece, Miss Grace M. Shepherd of the State Teachers College faculty.

Nurses Found Their Babies At Hospital

Miss Margaret Scully and Mrs. Kathleen Hutchison, county health nurses, and Dr. Claude P. Fryer wondered yesterday afternoon why it was that only one baby attended the weekly health clinic. Later in the afternoon, after they were convinced that there would not be any more children this week, they left the office and went over to the St. Francis hospital. There it was they found the reason for the absence of babies from the clinic. Ninety-seven babies had been there during the afternoon attending the open house held in honor of the babies who had been born at the hospital.

The oldest boy who attended the reception was Edward Tindall, son of Mr. and Mrs. W. A. Tindall of Maryville. He is sixteen years old. The oldest girl baby was Frances Bluel, who is fifteen years old. The youngest baby was Dorothy Lee, the one week old daughter of Mr. and Mrs. Sherman Montgomery.

8TH GRADE COMMENCEMENT EXERCISES AT QUITMAN

Class of Eleven Members Graduated From Miss Hoshor's Room—Diplomas Presented

The eighth grade commencement exercises were held last night at Quitman. Eleven pupils were graduated and a program was given. A large crowd attended. Leslie G. Somerville, county superintendent of schools, presented the diplomas. Miss Emma Hoshor was the teacher of the grade.

The baccalaureate sermon for the high school will be given tomorrow at the Methodist church. The senior class has five members. The commencement exercises will be held Friday evening.

FAST EXPRESS TRAIN WRECKED BY A MOTOR TRUCK.

Batavia, N. Y., May 13.—The Black Diamond Express, the crack flyer of the Lehigh Valley, east bound, traveling more than a mile a minute, hit a motor truck at North Leroy. Three coaches rolled down the steep embankment. Word was received here twenty-five passengers and trainmen were injured, some seriously. Three are reported killed. The injured ones were put on a special train for here.

STEEL CORPORATIONS ORDERED TO FURNISH INFORMATION

Washington, May 13—The federal trade commission today ordered the Bethlehem steel corporation and seven other large steel and iron companies to furnish information regarding their proposed merger before transfers are consumated. This is in accordance with the LaFollette resolution yesterday. It was announced the proposed merger has been under investigation since last December.

Friday and Saturday—15-2c; 31-4c—Winston Churchill's novel "INSIDE THE CUP." Also comedy.

A PLEASANT PLACE FOR GENTLE FOLKS.

ROCKFORD SCHOOL CLOSED YESTERDAY

ADDRESSES MADE AND PROGRAM GIVEN

GOOD AGRICULTURE WORK

Vitalized Study Complimented by Professor Bert Cooper—Have Raised Plants

The closing day program of the Rockford School, seven miles southwest of Maryville, included a program by the students, talks by the patrons of the district and officers of the school and addresses by members of the faculty of the State Teachers College. Prof. Bert Cooper of the Extension Division of the College complimented the teacher, Miss Rose Shinabarger and the students of the district for the work they have done and said "I think that they are doing excellent work and that it is one of the very best rural schools I have ever seen anywhere."

Mr. Cooper was especially pleased with the work they had done in Vitalized Agriculture. Almost all of the program of the students, which was given yesterday was based on their work in the this line during the past eight months. The pupils have grown tomato and cabbage plants during the past few weeks and had them for sale at the school yesterday. One of the little boys in talking with Prof. W. W. Stanfield and comparing the plants they had grown at the school with the ones the College has grown in the green house, said "Our plants are better than yours and we have grown them without any artificial heat."

Practically every patron of the district was at the closing exercises, despite the fact that it is a busy season of the year. John Evans, president of the school board, made a talk at the program in which he emphasized the County Unit Bill. He said that the rural children were given an equal opportunity until they pass the eighth grade, but from there on they were paralized, while the children in the places the size of Maryville are given the opportunity of the high schools. He said that the county unit plan would give the rural children equal opportunities with the city children. Mr. Evans lamented the fact that there are so few high schools in the country so that the students can continue their high school work under environment.

Kirmet Moore gave the valedictory address and Evelyn Evans gave the address of welcome.

The program was:

Song.
Address of Welcome — Evelyn Evans.
Work of the "D" Grade in Language.
Recitation—Pauline Phillips.
Recitation—Eugene Moore.
Class recitation—Third Grade.
Recitation—Mary Alice Jones.
Recitation—Dorothy Nelle Moore.
Report of Year's Work in Vitalized Agriculture—Kenneth Evans.
Talk on Clover—Kermit Moore.
Talk on Potatoes—Mildred Williams.
Talk on Canning Experiment, "Cold Pack Method"—Mary Alice Jones.
Talk on Corn Testing—Ralph Phillip, Mildred Williams, and Ellis Clement.
Talk on Alfalfa—Evelyn Evans.
Presentation of Posters to College—Mary Alice.
Valedictory Address — Kerinat Moore.

Prof. W. W. Stanfield gave an address and accepted the posters for the College. Professor Bert Cooper made a short talk.

ST. FRANCIS HOSPITAL NOTES

Mrs. E. S. Mattson left the St. Francis Hospital today for her home in Maryville.

Darrell Ingle of Hopkins will leave the hospital this afternoon.

Miss Virginia Wainwight of Bedford who was brought to the hospital last Thursday and operated on for appendicitis is doing nicely.

Alley Bruce of Clearmont had his tonsils removed this morning.

Mrs. Ira Hanna went to her home after about ten days in the hospital.

DRUG COMMISSIONER HELD ON A CHARGE OF BOOTLEGGING

Bloomfield, Mo., May 13—State Food and Drug Commissioner Prather is under a $1,000 bond today on a charge of bootlegging. Warrants were sworn out by Special Assistant Attorney General Ford. A gallon of whisky was found at Prather's home at Advance. A warrant is also out for Prather's brother, John.

IT WAS SOME HOG THAT R. N. ALLEN BUTCHERED

He Fed Him for a Year and a Half Then Made 45 Gallons of Lard and 300 Pounds of Sausage

Just to see how large a hog he could grow, R. N. Allen, who lives one mile east of Bedison on the old Thomas Wright farm, fed one of his barrows for a year and a half. He allowed Mr. Pig to run in the feed lot all the time and just eat all he could. At the end of this time he butchered. Just before doing the killing he put his prize on the scales and it weighed 960 pounds.

A block and tackle and a horse were used to swing the hog up to the limb of a tree. Mr. Allen is six feet tall, but as he stood on the ground the gamble, which was holding the hog so that his nose just missed the ground, was three feet above Mr. Allen's head. From the carcass was rendered forty-five gallons of lard, and 300 pounds of sausage were made, according to reports.

LESTER E. LYLE HAS 5-FOOTED PIG IN HIS HERD NOW

Lester E. Lyle, who lives three miles southeast of Maryville has a pig with five feet. One of Mr. Lyle's farrowed six pigs in her first litter. She got out of the lot and took them all down in the orchard one day. When she came back in the evening Mr. Lyle noticed that she had only five of her babies. He went to look for the other and found it coming. He had taken a basket to carry it in so that it would not squeal. Upon catching the little fellow he found that its right foreleg forked about the knee and that there were two feet on the leg. The pig cannot get about quite as well as the others of the litter but is said to be fattening and getting along well.

SEVENTY-TWO PUPILS AT GRADUATION EXERCISES

Seventy-two pupils from over the county were graduated from the eighth grade at the Commencement program which was held in the auditorium of the State Teachers College this afternoon. Prof. Harry A. Miller of the College gave the address. The class was presented to Leslie G. Somerville, county superintendent, by John R. Evans of the Rockford school.

No Trolley Service at Belfast

Belfast, May 13—Another riotous week-end was ushered in today with shooting affrays throughout Ulster. Trolley service was suspended on account of heavy street firing.

Are Visiting Here

Mr. and Mrs. J. W. Spencer of St. Joseph are visiting in Maryville with Mr. and Mrs. J. R. Brink.

WEDDED HIS SECRETARY

Congressman Benjamin Fairchild of New York found his secretary, Miss Elinor Parsons, twenty-six, such a desirable helpmate that he married her recently. The wedding was the culmination of a war-time romance wher Miss Parsons came to the capitol as an employee in the ordnance department, later becoming secretary to Mr. Fairchild when he entered congress in 1919. Mr. Fairchild was a widower and lost his only child, a son, in the aviation service during the war.

Wife to Accompany Explorer.

J. L. Cope, the explorer, returned to Plymouth, England, a year ahead of schedule; he had discovered extensive, workable mineral deposits and gained valuable knowledge relating to fisheries, including the secret migrating places of whales. After exploring these finds, he plans to go back, taking his wife with him, in which case she will be the first woman to set foot on the Antarctic continent.—Scientific American.

Different Reasons.

Mother (scrubbing Johnny's ears)—I certainly hate dirt.

Johnny—I do, too, ma.

Mother—I'd never believe it! Why?

Johnny—'Cause it makes you wash me.

An Exacting Fit.

"Brown is marrying again, I hear."

"So they say, and from all accounts his second wife will make rather a lively stepmother for the children."

"O, a sort of watch-your-step-mother, I suppose!"—Wayside Tales.

GARNET CUSHMAN WINS BABY PRIZE

GOT BED OFFERED BY BAILEY AND CUMMINS

THERE WERE 42 ENTRIES

Other Two High Scores Were by Lowell Noblet and Wilma Butcher

Garnet Cushman, son of Mr. and Mrs. H. B. Cushman of 609 East Fourth street was the lucky baby who won the childs bed given by Bailey and Cummins Furniture Co. as a prize to the most perfect baby entered in a baby contest. Forty-two entries were made in this contest which was begun by Mrs. Eva Hackney, Red Cross nurse last October and has extended over a period of six months.

The children were gradually eliminated in the contest until only three were left to compete for the prize. They were scored according to their attendance at the weekly clinics, weight in relation to height, cleanliness, diet and nutrition, home and care, which includes fresh air and recreation.

The highest three children were Garnet Cushman, son of Mr. and Mrs. H. B. Cushman, 609 East Fourth street; Lowell Noblet, son of Mr. and Mrs. Robert Noblet, living on R. F. D. No. 2 and Miss Wilma Butcher, daughter of Mrs. Eunice Butcher of 1122 East Second Street.

The individual score of the three highest babies was:

Garnet Cushman—Attendance 18 per cent; weight in relation to height, 18 per cent; cleanliness, 20 per cent; diet and nutrition, 19 per cent; home care, which includes fresh air and recreation, 20 per cent, total points, 95 per cent.

Lowell Noblet—Attendance, 18 per cent; weight in relation to height, 17 per cent; cleanliness, 20 per cent; diet and nutrition, 20 per cent; home care, which includes fresh air and recreation, 18 per cent; total points, 93 per cent.

Wilma Butcher—Attendance, 20 per cent; weight in relation to height, 18 per cent; cleanliness, 20 per cent; diet and nutrition, 16 per cent; home care, which includes fresh air and recreation, 18 per cent; total points, 92 per cent.

Mrs. Kathleen Hutchison and Miss Margaret Scully, county health nurses, said that some of the points which brought down what would otherwise have been a high score was the home care of the children. One example they gave was the feeding of some of the children. One child who was only nine months old, was permitted to eat candy. Irregular attendance at clinics and the home care were other reasons that some scores were lowered. For instance the nurses visited one home in which the child was required to sleep in rooms which were bordering on being air-tight; at least the proper amount of air was not allowed in the child's sleeping room.

MRS. CATHARINE M'KIBBAN MAKING REMARKABLE RECOVERY

A Case of Gangrene Has Practically Been Cured, Members of Her Family Believe.

Mrs. Catharine McKibban, nearly 85 years old and one of the old residents of the county, has made what physicians and members of her family think to be a remarkable recovery. A year ago as she was feeding some of the poultry about her home, four and a half miles southeast of Maryville, where she has lived for a half century she bruised her right leg about half way between the knee and her ankle. She did not think the injury serious and said nothing to other members of the family about it. Three weeks later the bruise became very sore and gangrene developed. The sore grew worse and spread nearly around the leg.

At last medical treatment began taking effect and today the sore has nearly all disappeared, leaving a place only about the size of a quarter. Members of her family believe that within two months she will be able to walk about and enjoy life again much the same that she did before the accident occurred.

ATCHISON COUNTY CASE IS BEING HEARD TODAY BY DAWSON

A hearing is being held today before Judge John M. Dawson of a petition to condemn land in Atchison county in an organized drainage district for drainage purposes. Several Atchison county residents are in attendance at the hearing. John C. Hunt and James F. Gore of Rock Port, M. H. Richards of Oregon and Judge W. C. Ellison of Maryville are the attorneys in the case.

THE BRUMBAUGH WEEKLY NEWS

Published Weekly by G. E. Brumbaugh

Vol. I. 102-104 South Main Street. NO. 9

A Personal Message From G. E. Brumbaugh.

In the two years that I have been in Maryville the one thing I have tried to bring out is that the keynote of this whole organization is Quality.

Whether it is work, parts, or the merchandise we sell, the outstanding thing is that we are still holding up that quality.

I have tried to hammer home the fact that when we offer you a VESTA BATTERY that we are offering you a battery that by its patented construction and the quality of its materials places it in a class by itself.

Whether you have realized the facts of all I have said in my advertising for the last two years I cannot tell. I do know that if you will take the time to look the facts square in the face, that you will realize the truth of these statements.

I have been in the Automotive, Electrical and Battery business seven years and I ought to know a good battery. I do. And I will stake what little reputation I might have on VESTA and "she" has never played me false as yet.

Advertising alone does not give a battery prestige. There must be something else behind it. Vesta has not built its reputation on advertising, but on Quality, Service, Performance.

We can prove all this and more. The facts are yours for the asking.

"Any VESTA Service Station is a Safe Place for a Car Owner to Go."
